International Relations Theory Oliver Daddow, 2017-03-27 With chapters on all the major theories of international relations accompanied by contemporary examples from popular culture film and literature this Third Edition is the ideal introduction to the key perspectives in the field Key features 30% new content with all chapters revised and updated Useful learning features including further reading questions to ponder common pitfalls and taking it further boxes to help you extend your thinking beyond the classroom Invaluable chapters on getting the best out of your knowledge of International Relations Theory in essays and exams including real life examples of best practice *Global Inequality and American Foreign Policy in the 1970s* Michael Franczak, 2022-06-15 In *Global Inequality and American Foreign Policy in the 1970s* Michael Franczak demonstrates how Third World solidarity around the New International Economic Order NIEO forced US presidents from Richard Nixon to Ronald Reagan to consolidate American hegemony over an international economic order under attack abroad and lacking support at home The goal of the nations that supported NIEO was to negotiate a redistribution of money and power from the global North to the global South Their weapon was control over the major commodities in particular oil that undergirded the prosperity of the United States and Europe after World War II Using newly available archival sources as well as interviews with key administration officials Franczak reveals how the NIEO and North South dialogue negotiations brought global inequality to the forefront of US national security The challenges posed by NIEO became an inflection point for some of the greatest economic political and moral crises of 1970s America including the end of golden age liberalism and the return of the market the splintering of the Democratic Party and the building of the Reagan coalition and the rise of human rights in US foreign policy in the wake of the Vietnam War The policy debates and decisions toward the NIEO were pivotal moments in the histories of three ideological trends neoliberalism neoconservatism and human rights that formed the core of America's post Cold War foreign policy **Interactive Technologies and the Social Studies** Peter H. Martorella, 1997-01-01 Provides a comprehensive guide to and analysis of the expanding role of technology in the social studies curriculum and classroom *Library Times International*, 1996 **Making Australian Foreign Policy on Israel-Palestine** Eulalia Han, Halim Rane, 2013-02-01 Based on extensive research of Australian media coverage public opinion interest groups as well as in depth interviews with current and former diplomats and politicians this book provides a unique insight into the policy making process in regards to one of the world's most enduring and volatile dilemmas Making Australian Foreign Policy on Israel Palestine is a must read for anyone concerned about how social forces influence policy making and the impact this has on Australia's response to world affairs Islamic Studies Series Volume 13 **Law and Justice around the World** Mikaila Mariel Lemonik Arthur, 2020-02-25 Law and Justice around the World is designed to introduce students to comparative law and justice including cross national variations in legal and justice systems as well as global and international justice The book draws students into critical discussions of justice around the world today by taking

a broad perspective on law and justice rather than limiting its focus to criminal justice systems examining topics of global concern including governance elections environmental regulations migration and refugee status family law and others focusing on a diverse set of global examples from Europe North America East Asia and especially the global south and comparing the United States law and justice system to these other nations continuing to cover core topics such as crime law enforcement criminal courts and punishment including chapter goals to define learning outcomes sharing case studies to help students apply concepts to real life issues Instructor resources include discussion questions suggested readings films and web resources a test bank and chapter by chapter PowerPoint slides with full color maps and graphics By widening the comparative lens to include nations that are often completely ignored in research and teaching the book paints a more realistic portrait of the different ways in which countries define and pursue justice in a globalized interconnected world
