FOLK TALES OF FANTASTIC BEASTS AND MEN - 24 illustrated Folk and Fairy Tales Anon E. Mouse, 2019-01-26

It is rather poignant that this collection of Folk and Fairy Tales from the Flanders region of Belgium was published in 1918 for in the closing stage of the Great War I don't think there were many soldiers and civilians living in Flanders who in 1918 had the fantasy world of folk and fairy tales foremost in mind. Herein are 24 well illustrated tales from the Flanders region of Belgium illustrated by Jean De Bossch. Also included are 12 full page colour plates plus 106 pen and ink illustrations. To make the volume even more sumptuous each story has an individually illustrated drop capital. Some of the stories in this superb volume are Ups And Downs, The Three Monkeys, How The Goldfinch Got His Colours, The Cock And The Fox, Sponsken And The Giant, The Choristers Of St Gudule, The Magic Cap, Sugar Candy House, Poor Peter, The Peasant And His Ass, The Reward Of The World and many more. So we invite you to download this volume, settle back with a steaming hot toddy and be prepared to be entertained by this most enjoyable volume from yesteryear. 10% of the net profit will be donated to charities.

REVIEWS from 1918: This handsome and well illustrated book is one of the most attractive we have seen this season. It gives us renderings of the popular fables and legends current in Flanders and Brabant which have a colour and quaintness of their own yet combines adventures with an unobtrusive and so more effective moral. Saturday Review: There are delightful stories even more attractive than the letterpress are. M. de Bossch's illustrations conceived with inexhaustible fancy full of quaint detail and set down with a fascinating naïveté, they embody the characters and scenes of the tales with a fullness of particularism that should provide endless entertainment to youthful readers. They are the best and most complete series of designs yet produced by the artist. Connoisseur: The illustrations by Jean de Bossch are of a droll fancy. The artist has a notable power of the grotesque and both in colour and black and white he uses it. Daily Telegraph

EAST OF THE SUN AND WEST OF THE MOON - 15 illustrated Old Tales from the North Anon E. Mouse, 2018-12-29

Step into a world of star crossed lovers, magical winds, mischievous giants and trolls through some of the most exquisite illustrations in publishing history. In this gorgeous abridged edition, the most ambitious publication project of beloved Danish artist Kay Nielsen, one of the most famous children's book illustrators of all time, is revived. First published in 1914, *East of the Sun and West of the Moon* is a celebrated collection of fairy tales gathered by legendary Norwegian folklorists Peter Christen Asbjørnsen and Jørgen Engebretsen. Moe on their journeys across Norway in the mid 19th century, Nielsen's illustration edition of Asbjørnsen and Moe's tales is considered a jewel of early 20th century children's literature, highly sought after by art and book collectors worldwide. An original signed copy of the book sold at auction in 2008 commanded the highest price ever paid for an illustrated children's book. This finely crafted volume presents 15 of the original fairytales and restores the stunning detail and artistry of Nielsen's images to their original splendour. Featuring 46 illustrations, 25 in colour and 21 Black and White, which include many enlarged details from Nielsen's rare original watercolours, the stories herein explore the history of

Danish Swedish and Norwegian folktales and show the extent of Nielsen's life and work and how this masterpiece came to be

Raber, 2014-03-01 Do you have a right NOT to have children Do we have a right NOT to be born Choosing to remain child free or childless is something that sparks various reactions but not everyone has actually given it deep thought The names and viewpoints discussed in this book may spur some thinking among those considering becoming parents feminists ecologists the religious right and the child free community The Internet is full of lists of people who are reported as not having had children some of these lists contain errors Here the author has added dates and places of birth and death to aid in verification Also while most lists focus on contemporary celebrities in this book the author presents an original list painstakingly compiled over these past years it is not a copy of anyone else's list of names and
