Doyle's Practical Guide To Business Law In Emerging Countries In Asia:

Doyle's Practical Guide to Business Law in Emerging Countries in Asia Michael Doyle, 2010 Today Asia's emerging countries form an integral part of any successful global business strategy and offer tremendous growth opportunities for multinational companies and global entrepreneurs alike. But with these vast opportunities also come very real legal challenges and risks. This work is the definitive and practical guide to navigating through the many complex legal systems in the world's most dynamic region. Whether already conducting business in China, India, Indonesia, Malaysia, the Philippines, Thailand, and Vietnam, or just in the planning stages, this one-stop guide is an invaluable reference for answering the critical questions. An invaluable one-stop reference for in-house counsel responsible for multiple countries in Asia. Sheana Chen, Regional Legal Counsel, Asia, Texas Instruments. Even those of us who have lived and worked overseas for decades appreciate the wisdom presented in this book. Craig S. Smith, Global Officer of Operations, Marriott International. Recommended reading for navigating the legalities of doing business in emerging countries in Asia. The lucid presentation makes the critical issues easily understandable. Vikrant C. Gandhe, Company Secretary, Tech Mahindra Limited. This easy-to-read book is highly recommended for foreign investors seeking to understand the key legal issues relating to business operations in Asia. Albert Vincent Y. Yu, Chang Co. chair, Asia Pacific Committee, American Bar Association, Section of International Law. With this book, Michael Doyle has proven himself to be one of the leading authorities on investment law in developing Asia. It's an invaluable guide. Brian Braden, Vice President of Global Consumer Products, Starbucks Coffee Company. Visit www.doylesguideasia.com to view the author's website for Doyle's Practical Guide.

Doyle's Practical Guide to Business Law in Asia Michael Doyle (Business lawyer), 2016. The emerging countries in Asia present tremendous growth opportunities for global entrepreneurs and multinational companies to participate in the dynamic expansion of business and trade in this region. In this expanded second edition of Doyle's Practical Guide to Business Law in Asia, students, business executives, and practitioners can receive specific answers to the most frequently asked questions concerning foreign investment in China, India, Indonesia, Malaysia, the Philippines, Thailand, Vietnam, and Cambodia. Doyle's Practical Guide specifically answers the legal and business questions most frequently asked by foreign investors in a concise, user-friendly way by using clear examples to illustrate how the up-to-date legal rules are applied in actual situations. Each chapter has been created by practicing attorneys in the relevant countries, and they reflect the current rules that apply for successful entry into the world's most dynamic business sphere.

The Law of Cross-Border Business Transactions Lutz-Christian Wolff, 2017-12-15. Law of Cross-Border Business Transactions aims at giving a structured introduction to the law and practice of investment deals, e.g., greenfield projects, *M lex mercatoria*, conflict of laws, letters of intent, position papers, heads of agreement, confidentiality and exclusivity agreements, structure and contents of international contracts, e-contracts, and smart contracts, protection of intellectual property rights, and technology transfer, trade, countertrade, and trade financing, insurance, agency.

and distributorship greenfield investments and M competition law and merger control employment law corporate governance and corporate social responsibility international taxation and dispute settlement and cross border enforcement of awards This second edition updates the discussion of the different topics comprehensively It also expands many parts and adds sections in relation to new themes that have gained importance since the publication of the first edition In particular it addresses legal issues arising out of the digitalization of the global economy with a special focus on choice of law questions smart contracts e bills of lading and online dispute settlement It also draws attention to the impact of China's Belt and Road initiative Brexit and the America First foreign policy How this will help you Of special value is the author's precise guidance on drafting techniques and contract practice The clarity of the presentation the uncompromising consistency in terms of structure and a large body of references to primary and secondary sources presented in this edition ensure that legal professionals business managers and academics as well as other interested parties can gain easy access to comprehensive and detailed information across jurisdictions

Regulating and Combating Money Laundering and Terrorist Financing

Nkechikwu Azinge-Egbiri, 2021-03-01 This book analytically reviews the impact of the global anti money laundering and counter terrorist financing AML CFT framework on the compliance trajectory of a number of jurisdictions to this framework The work begins by examining the international financial sector reform and its evolution to inculcate the global framework for AML CFT regulations It challenges the resulting uniform AML CFT due to its paradoxical impact on the compliance trajectory of African countries and emerging economies ACs EEs This is done through an examination of the pre conditions for effective regulation and compliance drivers for ACs EEs that reveals the behavioural impact of the AML CFT standards on the bloc of countries Through the application of agency theory it explores the relationship between ACs EEs on the one hand and the international financial institutions that formulate disseminate and facilitate compliance with the global framework for AML CFT standards on the other The remaining chapters review empirically the compliance pressures and resulting compliance trajectory of ACs EEs with the AML CFT standards The final part of the book provides a detailed explanation of the compliance challenges of ACs EEs and the legitimacy concerns that facilitate this This book offers a new direction on the impact of global AML CFT standards on ACs EEs and contributes to the understanding of the conditions under which the global standards are likely to facilitate proactive compliance within these blocs of countries As such it will be a valuable resource for academics researchers and policy makers working in this area
