to decide for yourself whether these claims are true It s my hope that by the end of this book you ll be convinced and join our movement You may just save your life and the planet in the bargain This revolutionary book is *Healthy Eating Healthy World Unleashing the Power of Plant based Nutrition* by J Morris Hicks and it is the book that finally tackles all compelling reasons for adopting a plant based diet from the environment to solving the world s hunger crisis Additionally T Colin Campbell acclaimed author of the bestselling book *The China Study* provides a riveting foreword to *Healthy Eating Healthy World* After reading this book it ll be nearly impossible to ignore the truth people were not meant to eat animals or animal products and the time has come to stop
