**Health -- the Basics** Dr. Robert DeMaria, 2011-04 Dr. Bob's Men's Health is for men who want simple, honest answers to their basic health questions. In today's culture, women tend to make the majority of the health care decisions for their families, while men tend to avoid seeking care oftentimes until the pain and discomfort caused by the conditions they have suffered with are beyond their ability to cope. Dr. Bob's extensive experience as a health care provider without the use of prescription medication has provided him with a unique ability to understand and relay logical solutions in an easy-to-follow format. In this book, Dr. Bob reveals important, little-known facts on the more common conditions men contend with: heart disease, cancer, cholesterol, sexual dysfunction, and pain. You will learn the basics which will propel you to levels of optimal health without the use of prescription medication. *1 Minute a Day to a Healthier You* Dr. Robert DeMaria, 2024-02-20 Daily gems to

revolutionize your health. Beloved, I pray that you may prosper in all things and be in health just as your soul prospers. 3 John 2 Are you caught in a tug of war between pursuing a healthier lifestyle and settling for average? Did you know that you can build a better you by making a series of simple daily choices? In these 1-minute daily devotionals, Dr. Bob DeMaria offers bite-sized Scriptural insights on how to improve your health and transform your life in the comfort of your own home. Get advice on topics like trans fats, diabetes, hidden pain triggers, and even fasting. This journey will equip you with priceless information, empower you to make necessary improvements, and enable you to be a good steward of the body God has given you. Day 47 **EXERCISE FOR LIFE** Regular exercise promotes efficient burning of blood sugar. Muscles need fuel to perform their purpose. You can help control your blood glucose by simple activities including walking, bike riding, and jogging. Choose a regular activity with motion. Ships in the harbor attract rust and barnacles. Don't go down with the ship. Keep moving. Day 104 **CHICKEN SOUP FOR THE SOUL** As fire burns brushwood, as fire causes water to boil. ISAIAH 64:2 Real chicken soup starts with fresh organic chicken, especially thighs and legs. There are natural ingredients in animal protein that stimulate the immune system. Start with quality water filtered with reverse osmosis. The only time you want to boil anything is when

making soups Use fresh organic ingredients to enhance the results of your cooking effort Use rice noodles instead of wheat noodles

unacknowledged undiagnosed and untreated Called America's Holistic Gynecologist Dr Shawn Tassone has devoted his career to helping women achieve hormonal balance and live healthier happier lives The Hormone Balance Bible is the culmination of Dr Tassone's decades of research and clinical work with tens of thousands of patients Here Dr Tassone guides women to understanding their hormonal profile and gives them the tools to feel better in as little as one week After taking Dr Tassone's Integrative Hormone Mapping Quiz an easy to understand diagnostic tool with an astonishing level of accuracy readers will identify their Hormone Archetype Nun Wisewoman Queen etc and benefit from his six step SHINES Protocol Spiritual Practice Hormones Infoceuticals Nutrition Exercise and Supplements the world's first fully integrative truly holistic treatment plan for hormonal imbalance A proven roadmap to wellness The Hormone Balance Bible provides readers with sustainable practices that can easily be incorporated into daily life Holistic Hormone Balance Ange Byrne, Philip Gallen, 2019-06-10 The female hormonal system is complicated Modern medicine has taken an over simplistic approach to female hormones making the false assumption that all women are the same What has been the consequence Overprescribed medicine Now that's a bold statement so allow me to explain Perhaps you can relate to the following Whenever a woman goes to the doctor because she's experiencing hormonal issues doctors are very quick to take note of symptoms and then prescribe a specific medicine aimed at alleviating these symptoms This quick fix mentality the medical industry is fuelled by is the fundamental problem with the contemporary Western medical system Now let me preface by making it clear that I'm not here to complain about how medicine doesn't work and how we should stop vaccinating our children Of course medicine works But what is clear is that it is overprescribed and prescribed far too quickly Furthermore what does work even mean Has a medicine truly worked if it is just covering up symptoms rather than actually targeting the root cause of a problem as to prevent it from occurring again and prevent the need to prescribe even more powerful drugs next time A typical doctor only has 10-15 minutes with a patient if that as they have to see hundreds of patients per week Think about that 10-15 minutes to make a decisive decision as to what the best course of action is for a specimen as complicated as a human being This is one of the primary reasons doctors are paid so much It takes a lot of training and expertise to be able to make a judgement about something that can potentially have harmful or positive effects on someone's well being within 15 minutes 10-15 minute appointments make sense from a business perspective This length of time is also better for the community as a whole as 100 people being seen for 15 minutes is far better than 25 being seen for an hour while 75 are left without any treatment However when we're talking about actually finding the best solution to someone's hormonal issues 10-15 minutes is not even close to being enough time That's why this book exists to fill in the missing time from doctors appointments that women around the world like you need and deserve This book exists to give you a holistic understanding of what keeps your hormones healthy as a woman *Dr. John Lee's Hormone Balance Made Simple* John R.
