Education Of A Public Man My Life And Politics:

The Education of a Public Man Hubert Horatio Humphrey, 1976 **The Education of a Public Man** Hubert H. Humphrey, 1991 Annotation A reprint of the Doubleday edition of 1976 with a new afterword by Norman Sherman Annotation c 2003 Book News Inc Portland OR booknews com **The Political Philosophy of the New Deal** Hubert H. Humphrey, 2015-02-09 Brought up on Wilsonian democracy and populist ideals a young Hubert Humphrey witnessed the near failure of the American political system during the Great Depression and its revival under Franklin D Roosevelt In The Political Philosophy of the New Deal Humphrey responds to the changing political landscape of his early adulthood and offers a broad ranging analysis of the New Deal and its place in the American traditions of individualism and social responsibility First published in 1970 Humphrey s book makes the case that the New Deal by emphasizing stability for all citizens situated itself firmly within the traditions of American democracy His cogent assessment of Roosevelt s policies offers insights still applicable in current day discourse about the financial and social sectors within the United States This paperback edition includes a new foreword by Robert Mann who explains the enduring importance of Humphrey s work and makes a strong case for the relevance of Humphrey s ideas in today s political climate **Primary Importance** Roger Pickenpaugh, 2024-02-26 Prior to 1960 presidential nominees were largely selected in the infamous smoke filled rooms of state party conventions In 1960 two serious contenders for the Democratic nomination Hubert Humphrey and John F Kennedy realized their weaknesses with party bosses would make this path nearly impossible For Kennedy his youth his Catholic faith and his aloofness toward party leaders would undermine his campaign For Humphrey his strong positions on civil rights would cost him support in the vital South This work focuses on the Wisconsin and West Virginia primaries the only two in which both candidates competed Original manuscript sources illuminate the differences between Kennedy s well financed well organized campaign and Humphrey s more amateurish effort These sources along with a wealth of newspaper sources also offer fascinating anecdotes of life on the campaign trail [True Believer](#) James Traub, 2024-02-13 A celebrated historian recounts Hubert Humphrey s role as a liberal hero of twentieth century America Hubert Humphrey was liberalism s most dedicated defender and its most public and tragic sacrifice As a young politician in 1948 he defied segregationists and forced the Democratic Party to commit itself to civil rights As a senator in 1964 he made good on that commitment by helping pass the Civil Rights Act But as Lyndon B Johnson s vice president his support for the war in Vietnam made him a target for both Right and Left and he suffered a shattering loss in the presidential election of 1968 Though Humphrey s defeat was widely seen as the end of America s era of liberal optimism he never gave up Even after his humiliation on the most public stage he crafted a new vision of economic justice to counter the yawning political divisions consuming American politics This biography reveals a deep dyed idealist willing to compromise and even fight ugly in pursuit of a better society Elegantly crafted and strikingly relevant to the present True Believer celebrates Hubert Humphrey s long struggle for justice for all

Public School Literature, Civic Education and the Politics of Male Adolescence Jenny Holt, 2016-12-05 During the nineteenth and early twentieth centuries British society gradually began to see adolescence as a distinct social entity worthy of concentrated study and debate Jenny Holt argues that the social construction of the public schoolboy a figure made ubiquitous by a huge body of fictional biographical and journalistic work had a disproportionate role to play in the development of social perceptions of adolescence and in forming ideas of how young people should be educated to become citizens in an age of increasing democracy With attention to an admirably wide range of popular books as well as examples from the periodical press Jenny Holt begins with a discussion of the ideas of late eighteenth century social radicals and ends with the First World War when the more serious public school literature which sought to involve juvenile readers in complex social and political issues declined suddenly in popularity Along the way Jenny Holt considers the influence of Victorian Evangelical thought Social Darwinism and the early twentieth century National Efficiency movement on concepts of adolescence Whether it is shedding new light on well known texts by Thomas Hughes and Rudyard Kipling providing a fascinating discussion of works written by boys themselves or supplying historical context for the development of the concept of adolescence this book will engage not only scholars of childhood and children's literature but Victorianists and those interested in the history of educational practice

Choice ,1998 **Finding List of the Social Sciences, Political Science, Law, and Education** Virginia State Library,1910 **Resources Directory for America's Third Century: Information sources for the study of the future** World Future Society,1977 **Vice Presidents of the United States 1789-1993** ,1997 The British Library General Catalogue of Printed Books 1976 to 1982 British Library,1983 **The Listener** ,1977 **Presidents & Promises** Jeff Fishel,1985 **Dictionary of Politics** Walter John Raymond,1978
