Fundamentals of Contemporary Business Communication Scot Ober, 2006-02-15 Fundamentals of Contemporary Business Communication distills the basic concepts of successful business communication placing significant emphasis on grammar and mechanics The author s hands on approach including the unique 3Ps problem process product model connects topics examples and exercises to the modern workplace Fundamentals combines the traditional textbook format with a workbook allowing students to immediately test apply and reinforce the basics of business communication The Second

Edition continues the author's integrated approach to grammar and mechanics. Language Arts topics appear in every third chapter to introduce or review the basic rules of usage. Part VI of the text includes five modules: Sentence Structure, Business Style Punctuation, Verbs and Subject Verb Agreement, Using Pronouns, Adjectives and Adverbs, and Mechanics in Business Writing. These modules are close to chapter length and are more thorough than the brief reference manuals that appear in other texts. New Chapter opening On the Job interviews reinforce the importance of effective business communication in the workplace. These interviews feature managers from a range of organizations including Monster.com, World Wrestling Entertainment Inc, and The Nucon Group. New Communication Snapshots present up-to-date facts about business communication in the real world such as information on employer expectations for written communication skills, the growing importance of communicating effectively with non-native English speakers, and grammar errors that executives find most distracting. New Communication Objectives appear in the margins to identify relevant discussions and to highlight the appropriate summary points and end-of-chapter exercises. New The five grammar modules from the previous edition now appear at the end of the text in Part IV. This reference manual is detailed and complete enough to help students review and strengthen their punctuation usage and writing skills. Activities and end-of-chapter exercises that follow the 3Ps model guide students through the assessment of a problem or a typical business scenario involving effective communication, the process of determining how to respond to the situation, and the final product such as an e-mail or memo created in response.
