

A stylized fashion illustration on a dark background. It features two female figures in dynamic, overlapping poses. They are wearing form-fitting, short-sleeved dresses with a green and blue grid or mesh pattern. Their legs are also covered in similar patterned stockings. They are wearing high-heeled shoes with a blue and black pattern. The lines are sharp and angular, giving it a modern, graphic feel.

Fashion Portfolio Design And Presentation:

Fashion Portfolio Anna Kiper, 2016-10-01 The book takes the reader through all the major steps of fashion portfolio creation. It features the main components of the design process from the identification of inspiration sources and fashion trends research to conceptualization of a complete fashion collection. The topics covered include mood fabric boards development, creation of original and innovative textiles as well as fashion silhouettes and garment details development through extensive research, quick design sketching, fabric manipulation and draping experimentation. Great original designs and illustrations by the author as well as design sketch samples by established designers are provided throughout. There are samples of sketchbooks from professional and emerging fashion artists. The book provides some insight from established fashion and accessories designers on the highlights and challenges of the creative process. It is a great professional reference for techniques in the portfolio development. A beautiful but practical book that provides useful techniques and helps the reader get inside the mind of the designer.

Portfolio Presentation for Fashion Designers Linda Tain, 2018-02-22 Portfolio Presentation for Fashion Designers Fourth Edition is still your best guide to showing your designs, skill sets and creativity to get you that job. In new images throughout the book shows examples of croquis, books, spec and flat drawings and visual research presentations from both fashion professionals and students. From concept through finished product, Portfolio Presentation for Fashion Designers is an indispensable tool to help you prepare your career for the next chapter. New to this edition, Helpful Hints at the end of each chapter help you to make critical decisions. Expanded Glossary now features knitwear terms. Introduces how to develop a successful fashion portfolio. Expanded discussion and examples of visual research presentation layouts.

Designing Your Fashion Portfolio Joanne Barrett, 2012-10-24 For the fashion designer seeking employment, a well-prepared portfolio is an essential marketing tool. *Designing Your Fashion Portfolio: From Concept to Presentation* uses the design process to guide students through conceptualization and assembly of a fashion design portfolio that will communicate their talents and vision as designers. The richly illustrated text helps students assemble their work and organize it into a compelling story of their artistic talents and market savvy. In the process, students learn to evaluate their skills and identify their interests so that they can focus on building collections for their chosen target markets. The author's fashion design portfolio system enables designers to tailor their portfolios for each client throughout their careers.
