

A photograph of a man with glasses and a light blue shirt carrying a young child on his back. The child is wearing an orange long-sleeved shirt and denim overalls. The man is walking towards the right. In the background, another child is sitting at a small wooden table, playing with toys. The scene is set in a brightly lit room with large windows in the background.

Fast Forward Family Home Work And Relationships In Middle Class America:

Fast-Forward Family Elinor Ochs, Tamar Kremer-Sadlik, 2013-03 Called the most unusually voyeuristic anthropology study ever conducted by the New York Times this groundbreaking book provides an unprecedented glimpse into modern day American families In a study by the UCLA Sloan Center on Everyday Lives and Families researchers tracked the daily lives of 32 dualworker middle class Los Angeles families between 2001 and 2004 The results are startling and enlightening Fast Forward Family shines light on a variety of issues that face American families the differing stress levels among parents the problem of excessive clutter in the American home the importance and decline of the family meal the vanishing boundaries that once separated work and home life and the challenges for parents as they try to reconcile ideals regarding what it means to be a good parent a good worker and a good spouse Though there are also moments of connection affection and care it s evident that life for 21st century working parents is frenetic with extended work hours children s activities chores meals to prepare errands to run and bills to pay [The Handbook of Discourse Analysis](#) Deborah Tannen, Heidi E.

Hamilton, Deborah Schiffrin, 2018-02-28 The second edition of the highly successful Handbook of Discourse Analysis has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication including new theoretical paradigms and discourse analytic models in an authoritative two volume set Twenty new chapters highlight emerging trends and the latest areas of research Contributions reflect the range depth and richness of current research in the field Chapters are written by internationally recognized leaders in their respective fields constituting a Who s Who of Discourse Analysis A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues theories and methods **The Design of Childhood**

Alexandra Lange, 2025-11-11 From the Winner of the 2025 Pulitzer Prize in Criticism Now Updated with New Material Lange might be the most influential design critic writing now The Los Angeles Review of Books From building blocks to city blocks an eye opening exploration of the ways children s playthings and surroundings affect their development now featuring the author s Pulitzer Prize winning essays Parents obsess over their children s playdates kindergarten curriculum and every bump and bruise but their toys classrooms and playgrounds are just as important These objects and spaces encode decades even centuries of ideas about good child rearing versus bad What is the Good Toy Is it wooden plastic or even digital What do youngsters lose when seesaws are deemed too dangerous and slides are designed primarily for safety How can our built environment help children cultivate self reliance In these debates parents educators and kids themselves are often caught in the middle Now Pulitzer Prize winning design critic Alexandra Lange reveals the surprising histories behind the human made elements of our children s pint size landscape Her fascinating investigation shows how the seemingly innocuous universe of stuff affects kids behavior values and health Along the way she reveals how years of decisions by toymakers architects and urban planners have helped and hindered American kids journeys toward independence Seen through Lange s eyes

everything from the sandbox to the street becomes vibrant with meaning The Design of Childhood will change the way you view your children's world and your own

Investigating Intimate Discourse Brian Clancy, 2015-10-16 Intimate discourse that between couples family and close friends in private non professional settings lies at the heart of our everyday linguistic experience It creates and sustains our closest relationships Using an innovative blend of the community of practice model with a corpus linguistic methodology Brian Clancy expertly reveals the patterns that characterise the shared linguistic repertoire of intimates Corpus methods such as frequency and concordance are thoroughly introduced exemplified and systematically employed in order to operationalise the concept of the community of practice in relation to intimate discourse A half million word corpus of intimate data collected in various settings throughout Ireland provides the data for insights into patterns such as intimates use of pronouns vocatives taboo language and pragmatic markers The intimate linguistic repertoire that emerges is shown to facilitate the delicate balance between our instinctive desire to be involved in the lives of those closest to us while at the same time recognising their need for privacy and non imposition Investigating Intimate Discourse will primarily be of interest to postgraduate students and researchers working in the area and to those working in related areas such as discourse analysis corpus linguistics sociolinguistics and pragmatics Advanced undergraduates taking modules in those subjects will also find the book useful

Handing Down the Faith Christian Smith, Amy Adamczyk, 2021 This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness But we know much less about the actual beliefs feelings and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice
