Pressure Cooker Cookbook Alicia Dennis,2017-02-22 What is a pressure cooker and what does it do A pressure cooker works on a simple principle Steam pressure A sealed pot with a lot of steam inside builds up high pressure which helps food cook faster When was the pressure cooker invented It was invented in the 1600s by a Frenchman by Denis Papin who wanted to translate new discoveries in physics about pressure and steam into cooking He called his pot the Digester but it took quite a while before better manufacturing standards and technology could make these high pressure pots safe How does a pressure cooker work A pressure cooker is a sealed pot with a valve that controls the steam pressure inside As the pot heats up the liquid inside forms steam which raises the pressure in the pot This high pressure steam has two major effects Raises the boiling point of the water in the pot When cooking something wet like a stew or steamed vegetables the heat of your

cooking is limited to the boiling point of water 212F But with the steam's pressure now the boiling point can get as high as 250F This higher heat helps the food to cook faster Raises the pressure forcing liquid into the food The high pressure also helps force liquid and moisture into the food quickly which helps it cook faster and also helps certain foods like tough meat get very tender very quickly The extra high heat of the pressure cooker also promotes caramelization and browning in a surprising way we re not used to food caramelizing when it is cooking in liquid But the flavors created in a pressure cooker can be really deep and complex unlike regular steamed foods For more information click on BUY BUTTON tag Instant Pot Cookbook pressure cooking cookbook pressure cooking recipes quick and easy pressure cooker one pot meal recipes Pressure Cooking Pressure Cooker Books Pressure Cooker Recipe Book Pressure Cooker Dump Dinner Electric Pressure Cooker cookbook pressure cooker recipes for electric pressure cookers recipes for pressure cookers one pot cookbook pressure cooking for two pressure cooker recipes for beginners pressure cooker cookbook healthy pressure cooker cookbook vegan pressure cooker cookbook low carb pressure cooker dump one pot meals **Instant Pot Electric Pressure Cooker Cookbook** Louis Borl, 2019-03-19 If you don't have an Instant Pot just yet these recipes will be sure to convince you to get one asap What is this Instant Pot that you keep hearing about Do you want to make great recipes for yourself and family using the Instant Pot Do you already have one in the kitchen but have no idea what to cook This Instant Pot Electric Pressure Cooker Cookbook Easy and Healthy Recipes Can Help You Learn how to become a great chef in the kitchen and impress your guests friends and family with your newly acquired Instant Pot Cooking Skills This ultimate cookbook is here to give you useful information about the Instant Pot pressure cooker as well as the step by step easy and guick way to cook perfect and delicious recipes Here you can find fast healthy and super easy recipes Learn How To Master Your Instant Pot and Enjoy Delicious Meals at Home Are you considering buying an Instant Pot or get one as a gift and now scratching your head as to where to start Are you busy person and need to save more time for work or just for yourself Are you excited to cook amazing super healthy and fast meals at home So this Instant Pot Electric Pressure Cooker Cookbook Can Help You Complete with in depth instructions top tips and the getting the best out of your Instant Pot there are also a range of recipes for every mealtime to tempt and dazzle you Get your copy of Instant Pot Electric Pressure Cooker Cookbook and start making the most of your Instant Pot today So if you are ready to start living healthy eating healthy then this is the book for you SCROLL UP AND CLICK THE BUY BUTTON NOW **Instant Cooking With Electric Pressure Cooker Cookbook** Kate Sandell, 2020-07-18 Instant Cooking With Electric Pressure Cooker Cookbook Featuring More Than 100 Quick and Easy Delicious recipes for this Great Cooking Device The Instant Pot This Cookbook features healthy Meals The whole family will love Each Recipe Contains Clear Instructions for prep and specific pressure cooking times from beginning to end In this pressure cooker cookbook you will find How to use this cooking device easily cook food that has robust flavors Great tips and tricks using your Instant Pot effectively Quick easy mouthwatering recipes to try out in this Cookbook includes Breakfast
