Drawn To Trouble Confessions Of A Master Forger:

Drawn to Trouble Eric Hebborn, 1993 *Collectors, Scholars, and Forgers in the Ancient World* Carolyn Higbie, 2017-01-26 *Collectors Scholars and Forgers in the Ancient World* focuses on the fascination which works of art texts and antiquarian objects inspired in Greeks and Romans in antiquity and draws parallels with other cultures and eras to offer contexts for understanding that fascination Statues bronze weapons books and bones might have been prized for various reasons because they had religious value were the work of highly regarded artists and writers had been possessed by famous mythological figures or were relics of a long disappeared past However attitudes towards these objects also changed over time sculpture which was originally created for a religious purpose became valuable as art and could be removed from its original setting while historians discovered value in inscriptions and other texts for supporting historical arguments and literary scholars sought early manuscripts to establish what authors really wrote As early as the Hellenistic era some Greeks and Romans began to collect objects and might even display them in palaces villas or gardens as these objects acquired value a demand was created for more of them and so copyists and forgers created additional pieces while copyists imitated existing pieces of art sometimes adapting to their new settings forgers created new pieces to complete a collection fill a gap in historical knowledge make some money or to indulge in literary play with knowledgeable readers The study of forged relics is able to reveal not only what artefacts the Greeks and Romans placed value on but also what they believed they understood about their past and how they interpreted the evidence for it Drawing on the latest scholarship on forgery and fakes as well as a range of examples this book combines stories about frauds with an analysis of their significance and illuminates and explores the link between collectors scholars and forgers in order to offer us a way to better understand the power that objects held over the ancient Greeks and Romans *Artists and Their Autobiographies from Today to the Renaissance and Back* Charles Reeve, 2022-11-25 *Reading life writing that runs from Tracey Emin Faith Ringgold and Judy Chicago to Marie Bashkirtseff Benvenuto Cellini and beyond* *Artists and Their Autobiographies from Today to the Renaissance and Back* investigates the intriguing doubled truths of artists autobiographies truth in life and truth in art authorial truth s and the truth of their art as they saw it However this book focuses specifically on the truth of sincerity which here following classic discussions by Reindert Dhondt Philippe Lejeune and Lionel Trilling appears as a truth to self that floats free from facts to link avowal and feeling From there this volume merges autobiography studies with a history of ideas approach to art to trace sincerity s constancy and variability across times and cultures Through this pre disciplinary dialogue this book shows that recent and historical artists autobiographies differ in how not if they intertwine sincerity in life and art Along the way this volume leverages the foregrounding of sincerity caused by this doubling to explore such key issues of autobiography studies as autobiography s relation to fiction serial autobiography as told to narrative and what happens when liars claim to tell all

New York Times Saturday Book Review Supplement, 1993-07 **Out**, 1997 **Provenance** Laney Salisbury, Aly Sujo, 2009 Starred Review A decade-long art scam that sullied the integrity of museum archives and experts alike is elegantly recounted by husband and wife journalists Salisbury and Sujo In 1986 when struggling painter and single father John Myatt advertised copies of famous paintings he never imagined he'd become a key player in one of Britain

s biggest art frauds Myatt soon met John Drewe who claimed to be a physicist and avid art collector Soon Drewe a silver tongued con man was passing off Myatt s work as genuine including paintings in the style of artists like Giacometti and Ben Nicholson When buyers expressed concern about the works provenance Drewe began the painstaking process of falsifying records of ownership Posing as a benefactor Drewe even planted false documents in the archives of London s Tate Gallery but suspicious historians and archivists eventually assisted Scotland Yard in bringing him to justice Salisbury and Sujo who died in 2008 evoke with flair the plush art world and its penetration by the seductive Drewe as well as the other players in this fascinating art drama July 13 Copyright Reed Business Information a division of Reed Elsevier Inc All rights reserved
