## **Dribble Drive Offense A Complete Instruction:**

**The Dribble Drive Offense - a Complete Instruction Manual** Coach M. Olesen, 2011-06-10 This is an awesome book. The book offers more than just X's and O's; it has great drills as well as insight into how to build a practice program and a mindset. At this price, I would recommend purchasing it even if you do not plan on running DDM Review at Championship Productions. Kentucky Wildcats former coach John Calipari called it Princeton Offense on Steroids and nearly got crucified for it, but it took his teams to the Final Four time and again. It was labelled as a street ball offense, but as people have gotten to know the offense, Vance Walberg worked on for 15 years, it has become clear that this is a great invention that won't go away. The offense is renowned for developing players and players love to play in it. In 195 pages, this book details the fundamentals. All the drills like Blood Drills and the Daily 45. The reads and X's and O's. How to enter into it off the break or from a half court set. 90 pages of drills including Vance Walberg's and John Calipari's drills. Plays, entries, and quick hitters. Playing against sagging switching defenses. Coach Olesen has coached basketball since 1995 in three different European countries and on American camps. He's a professional basketball coach coaching both children and adults. More information and eBook version available on [www.coachdribbledrive.com](http://www.coachdribbledrive.com). [The Dribble Drive Motion Offense](#) Coach O, 2010-06-01 The Dribble Drive Motion Offense or Princeton on steroids as University of Kentucky coach John Calapari called it was invented by coach Vance Walberg only a few years ago. There isn't a lot of information about it out there, but this book is an instruction manual in the Dribble Drive Offense there to fill the void. The manual deals with the strengths and weaknesses of the Dribble Drive, the fundamentals needed to run the offense, the basics needed to run it, how to enter into it off the break or from a half court set, the reads and X's and O's, and how to teach it. The book contains 40 pages of drills including the best of Vance Walberg's and John Calipari's drills. Also, it contains four appendixes which detail special plays and quick hitters playing against a sagging defence, two oone offences, and a complimentary screening type offence. Black and White Version more expensive color version also available.
