## **Dragon Rampant Fantasy Wargaming Wargames:**

**Dragon Rampant** Daniel Mersey,2015-12-20 Whether you re a nameless Dark Lord looking to conquer the known world a Champion of Light holding out against the forces of evil or a Northern barbarian facing claimants to a stolen throne Dragon Rampant allows you to bring those battles to the tabletop Developed from the popular Lion Rampant system Dragon Rampant is a standalone wargame that recreates the great battles of Fantasy fiction Scenarios army lists and full rules for magic and monsters give players the opportunity to command unruly orc warbands raise armies of the undead campaign across an antediluvian world as the warchief of a barbarian tribe or exploit the power of mighty creatures and extraordinary sorcery An army usually consists of 6 8 units comprised of 6 12 individually based figures These small units move and fight independently assuming that they follow your orders rather than just doing their own thing Command and control is just as important on the battlefield as the power of a troll chieftain or the magic of an archmage **Dragon Rampant: Second**

**Edition** Daniel Mersey,2025-10-23 A revised and updated version of the popular Dragon Rampant ruleset **Broken Legions** Mark Latham,2016-08-25 The Roman Empire rules the civilised world with an iron fist seemingly all powerful and limitless And yet the power of Rome is secured not by its mighty legions but by small bands of warriors and agents fighting a secret war Tasked by the Emperor to explore ancient temples forgotten labyrinths and beast haunted caverns they seek out artefacts hidden by the gods themselves hunt creatures of myth and face enemies that would use dark magic against the empire Broken Legions is a set of fantasy skirmish rules for a war unknown to history fought in the shadows of the Roman Empire Various factions recruit small warbands to fight in tight scenario driven battles that could secure the mystical power to defend or crush Rome A points system allows factions to easily build a warband and mercenaries and free agents may also be hired to bolster a force Heroes and leaders may possess a range of skills traits and magical abilities but a henchman s blade can be just as sharp and a campaign can see even the lowliest henchman become a hero of renown **Rogue Stars**

Andrea Sfiligoi,2016-12-15 Rogue Stars is a character based science fiction skirmish wargame where players command crews of bounty hunters space pirates merchants prospectors smugglers mercenary outfits planetary police and other such shady factions from the fringes of galactic civilisation Crews can vary in size typically from four to six and the character and crew creation systems allow for practically any concept to be built Detailed environmental rules that include options for flora fauna gravity dangerous terrain and atmosphere and scenario design rules that ensure that missions are varied and demand adaptation and cunning on the parts of the combatants make practically any encounter possible Run contraband tech to rebel fighters on an ocean world while hunted by an alien kill team or hunt down a research vessel and fight zero gravity boarding actions in the cold depths of space whatever you can imagine you can do **The Men Who Would Be Kings** Daniel Mersey,2016-09-22 The Men Who Would Be Kings is a set of rules designed for fighting historical or Hollywood colonial battles in the mid to late 19th Century from the Indian Mutiny to the Boxer Rebellion Large scale colonial clashes tended to

be one sided affairs but there are countless reports of brief frantic skirmishes in every colonial war where either side could be victorious and these are the battles that The Men Who Would Be Kings seeks to recreate Although focusing on the British colonial wars against the Zulus Maoris and others these rules will also permit players to explore the empires of France Germany and other nations as well as allowing for battles between rival native factions Gameplay is very simple and is driven by the quality of the officers leading your units in the true spirit of Victorian derring do and adventure where larger than life characters such as the real Fred Burnaby and the fictional Harry Flashman led their troops to glory and medals or a horrible end at the point of a spear tip *The Pikeman's Lament* Daniel Mersey, Michael Leck, 2017-01-26 Recreate the action and drama of 17th Century warfare on your tabletop with The Pikeman's Lament Start by creating your Officer is he a natural leader raised from the ranks the youngest son of a noble family or an old veteran who has seen too many battles As you campaign your Officer will win honour and gain promotion acquiring traits that may help lead his men to victory Before each skirmish your Officer must raise his Company from a wide range of unit options should he lean towards hard hitting heavy cavalry or favour solid defensively minded infantry Companies are typically formed from 6-8 units each made up of either 6 or 12 figures and quick decisive and dramatic games are the order of the day With core mechanics based on Daniel Mersey's popular Lion Rampant rules The Pikeman's Lament captures the military flavour of the 17th Century and allows you to recreate skirmishes and raids from conflicts such as the Thirty Years War the English Civil Wars and the Great Northern War

*Lion Rampant: Second Edition* Daniel Mersey, 2022-08-18 WINNER OF THE 2023 ORIGINS AWARDS FOR BEST MINIATURES GAME An expanded edition of the Origins Award nominated Lion Rampant featuring new rules scenarios and sample armies Take to the battlefield as Richard the Lionheart Joan of Arc or William Wallace or forge your own legend with Lion Rampant Second Edition From the Dark Ages to the Hundred Years War raids skirmishes and clashes between small retinues were a crucial part of warfare and these dramatic small scale battles are at the heart of this easy to learn but tactically rewarding wargame Lion Rampant Second Edition is a new updated version of the hit Osprey Wargames series title and retains the core gameplay while also incorporating a wealth of new rules and updates from several years worth of player feedback and development Whether they are looking to recreate historical encounters or tell their own stories the varied scenarios unit types and sample retinue lists found in this volume provide everything players need to face each other in quick exciting and above all fun tabletop battles *Dragon Rampant* Daniel Mersey, 2025 **Fantasy Wargaming** Bruce Galloway, 1982 Provides an entertaining source book for aficionados of the fantasy role playing war game of Dungeons and Dragons *Frostgrave: The Wizards' Conclave* Joseph A. McCullough, 2019-02-21 Wizards tend to be secretive and solitary rarely sharing their knowledge and associating with only a select few apprentices followers and henchmen It is rare that they spend time in the company of other spellcasters and rarer still that they work together Now however something is about to take place that has not occurred since the great days of Felstad a gathering of wizards In this new supplement for Frostgrave

some of the biggest names in gaming turn their creative powers towards the Frozen City each contributing a scenario and adding their own flair to the game Featuring scenarios by Alessio Cavatore Alex Buchel Andy Chambers Gav Thorpe Chris Pramas Daniel Mersey Andrea Sfiligoi and many more this tome provides a collection of adventures that will pit players against unimaginable foes and challenges pushing their wizards and warbands to new limits     Dragon Rampant Marjorie Sydney,1976     *Dragon Rampant* Nigel Walpole,2007
