

A blue dragon with large, translucent wings is shown in flight over a body of water. The dragon's body is covered in scales and has a row of small, golden-yellow spots along its back. Its wings are spread wide, revealing a lighter blue membrane. The background features rolling green hills and mountains under a warm, yellowish-orange sky, suggesting a sunset or sunrise. A sword with a silver hilt and a dark blade is planted in the ground in the lower right foreground.

### **Dragonknight Dragon Keepers Chronicles Book 3:**

*Dragonknight* Donita K. Paul, 2006 Bardon heads to the mountains in search of solitude before vowing his allegiance to Wulder as a knight but his journey is disrupted when he must save a group of imprisoned Paladin knights *Dragon Keepers (Dragon Keepers Fantasy)* Bruce Goldwell, 2018-02-05 Goldwell's fantasy book series *Dragon Keepers* can be considered a prelude for young readers before reading the Harry Potter series. This dragon fantasy book series is imaginative and adventure filled. *Dragon Keepers* is a dragon book series by Bruce Goldwell whose main character is Merlin the Wizard. It is written in third person narrative. The narrative is about the fantasy life of Merlin which includes dragons, fairies, mermaids, unicorns, and other fantasy creatures popular in mythology around the world. While the story uses aspects of Arthurian legend, much of the story is based on fantasy characters and events made up by the author. The author has a very wise intention for choosing the fantasy world: a fantasy genre illustrates a gateway to stories and imagination that is beyond the narrow convention of this known world. The series will certainly allow the readers to escape from the reality and get back to the world of mystery. Through the characters, readers often find crisis, inequality, pain, and loss; those issues are valid and challenging ones that we are confronted with in our real world, whether as individuals or socially. More importantly, using the fantasy world, the author tries to engage more connectivity with those issues and instruct how to avoid them in a realistic setting. The Ritz Herald Article, April 2022: *Dragon Keepers* is a dragon fantasy book series for teens and adults. The series follows the life of Merlin the Magician. In Book I, Merlin turns 13 years old and is made an official dragon keeper, a position that requires him to learn how to control and care for dragons. The story includes a romance between Merlin and a young girl from the World of Dragons named Aeem. This fantasy book series is for kids 9-13, however, it can be enjoyed by teens of any age as well as adults.

**Dragon Keepers #3: The Dragon in the Library** Kate Klimo, 2011-04-26. *Dragon Keepers* Jesse and Daisy need help. Emmy, their rapidly growing dragon, has become a real grouch, saying she's missing something and the cousins don't have a clue what that something is. Jesse and Daisy go online to ask Professor Andersson, their favorite dragon expert, for help and end up seeing him being kidnapped. The kidnapper is none other than Sadie Huffington, the girlfriend of their enemy St. George the Dragon Slayer. She has hatched a wicked scheme to use the professor to both find St. George and capture Emmy. Now the dragon keepers and their dragon must storm Sadie's castle and rescue the professor from the witch and her pack of vicious dog men. In this third fantasy book in the *Dragon Keepers* series, Kate Klimo introduces readers to a magical library filled with shelf elves and reveals the secrets of the gigantic red book that Jesse and Daisy discovered in *The Dragon in the Sock Drawer*. She keeps the action and adventure flying while bringing both heart and imagination to this tale of two kids and a dragon growing up together. The *Dragon Keepers* series is perfect for kids who crave books about dragons and magic but are caught betwixt and between: too old for *Magic Tree House* and not yet ready for *Eragon* and the Inheritance cycle. Owen, 2021-02-15 Fourteen years ago HERE THERE BE DRAGONS the first book in my illustrated Young Adult Fantasy series The Chronicles of the Imaginarium Geographica was published It became a bestseller has been published in more than twenty languages and still remains in print in hardcover to this day Six other books in the series were published THE SEARCH FOR THE RED DRAGON THE INDIGO KING THE SHADOW DRAGONS THE DRAGON'S APPRENTICE THE DRAGONS OF WINTER and the final volume THE FIRST DRAGON which concluded the story I began in Book One but it wasn't the last Imaginarium Geographica story I had to tell I had written a novella about one of my most popular characters Don Quixote and how he came to be trapped in the Keep of Time but only the prologue was ever published I had also written several short stories which were intended to become picture books at one point before being set aside And when I was working on the screenplay of HERE THERE BE DRAGONS for Warner Brothers I discovered there was more to share about my trio of heroes John Jack and Charles than I had ever realized For most of a decade readers eagerly awaited Autumn and the publication of a new Imaginarium Geographica book which many of them had often received as Christmas presents My publisher wasn't interested in doing another book any time soon but I've

successfully published a number of projects through my own imprint Coppervale Press and I couldn't bear to let another Christmas go by without giving my readers a new book and maybe I also really wanted to do a book with an orange cover So I pulled out all of the unused stories and created an ALL NEW framing sequence that tied them all together and that's when I realized there would be an eighth book THE DRAGON KNIGHT This is a standalone book readable at either end of the seven book series or at any point in between It consists of stories of many of the characters and places my readers already know and love including The Littlest Knight and the Last Dragon Mr Tummeler's Grand Day Out and more as well as the TRUE story of how John Jack and Charles became Caretakers and the long awaited novella about Don Quixote and the Keep of Time The Thin Man and the Queen of Stars All with new illustrations by me and presented in a beautiful new edition that will match the existing set perfectly
