Drama Team Sketchbook Alison Siewert, 2003-12-15 We need drama Drama helps us see ourselves It makes space for the parts of life that are ambiguous thrilling painful uncertain It says things to us that we desperately need to hear and it says them intuitively by pointing rather than by explaining Drama helps us see God The woman at the well comes to know God because she admits who she really is and in the very next turn she hears Jesus speak who he really is Drama speaks prophetically Theater can ask hard questions by pointing to them on the stage and we can say things in the context of theatrical dialogue that we would struggle to speak in any other context Drama shows in a world that tells It makes big ideas concrete helping us understand ideas like hypocrisy forgiveness sacrifice and love We need drama in our ministries in our churches and on our college campuses We need drama that helps us tell the story of Jesus so that people can hear and respond In this sketchbook Alison Siewert offers twelve scripts of Gospel stories from the nativity to the resurrection that will help those who have ears to hear the Word of God *American Book Publishing Record*, 2004 [Books and Bookmen](#), 1968 [The National Union Catalog](#) Library of Congress, 1958 Constitutes the quinquennial cumulation of the National union catalog Motion pictures and filmstrips [Films and Other Materials for Projection](#) Library of Congress, 1958
