## **Drawing On Difference Art Therapy With People Who Have Learning Difficulties:**

**Drawing on Difference** Mair Rees, 2003-09-02 This book reveals how art therapy can support and validate the emotional and mental health needs of people with learning difficulties Case studies present work with adults and children with differing degrees of difficulty such as personality disorder autism or severe learning difficulties and discuss the needs of people with learning difficulties who have experienced traumas such as rape or bereavement Particular emphasis is placed on service evaluation and standards and on the client's personal experience Contributors discuss practical professional and political issues such as the practical challenges of providing an art therapy service within and beyond the hospital setting the similarities and differences between art therapy and other allied professions such as music and dramatherapy clinical effectiveness and clinical supervision Drawing on Difference brings together for the first time discussion from leading professionals in this increasingly popular area of specialisation within psychotherapy Art Therapy and Learning Disabilities Stephanie Bull, Kevin O'Farrell, 2012 First Published in 2012 Routledge is an imprint of Taylor Francis an informal company *Psychodynamic Art Therapy Practice with People on the Autistic Spectrum* Matt Dolphin, Angela Byers, Alison Goldsmith, Ruth Jones, 2013-08-15 Psychodynamic Art Therapy Practice with People on the Autistic Spectrum offers a valuable counterbalance to the phenomenological cognitive and behavioural theories that currently prevail in the wider field of practice and research The result of a decade of work by a group of highly experienced art therapists this book presents eight frank and compelling accounts of art therapy with either adults or children with autism supported by a discussion of the relevant theory The book begins with an overview of the theoretical context and the subsequent chapters give varied accounts of practitioners' experiences structured in a loose developmental arc reflecting issues that may arise in different settings and at various stages of therapy Each is followed by an afterword which describes the author's reflections in the light of their subsequent knowledge and experience The conclusion brings together some of the common threads arising from their encounters and considers how these might be relevant to current and continuing art therapy practice in the field of autism Psychodynamic Art Therapy Practice with People on the Autistic Spectrum is a thoughtful consideration of where art therapy meets autism and the particular challenges that arise in the encounter between the autistic client and the therapist Presenting honest reflections arising from lived encounters and highlighting general principles and experiences this book aims to orient other practitioners who work with people on the autistic spectrum in particular art therapists and art therapy trainees Art Therapy, Research and Evidence-based Practice Andrea Gilroy, 2006-10-09 This is an important and topical book coming at a time when there is growing pressure to show evidence of good practice in order to reassure the prospective client and to demonstrate financial accountability It gives valuable guidelines and examples for art therapists The book is innovative and inspiring and the author's enthusiasm shines through I end with the last line of this topical readable relevant book one that encapsulates its content We need the facts we need the figures but we need the stories and the pictures too

Therapy Today This book makes a major contribution to the field of art therapy by reviewing in an accessible and informed manner the issues around the development of research informed practice The author offers an overview of different traditions of inquiry that will be of value to practitioners as well as those actually involved in carrying out research John McLeod Tayside Institute for Health Studies University of Abertay Dundee This impressive book is lively inspiring and innovative Andrea Gilroy s energetic enthusiasm for her subject is infectious She breathes life into the topics of research and EBP This rich exploration combines a rigorous investigation of the existing literature with intelligent original and practical suggestions A thorough informative approach that challenges existing thinking This is a must for art therapists at last a book that places art at the centre of our evidence in a convincingly argued accessible and rewarding read Professor Joy Schaverien PhD Art Therapy around the world is under increasing pressure to become more evidence based As a result practitioners now need to get to grips with what constitutes evidence how to apply research in appropriate ways and also how to contribute to the body of evidence through their own research and other related activities Written specifically for art therapy practitioners and students Art Therapy Research Evidence Based Practice traces the background to EBP critically reviews the existing art therapy research explains the research process links research with the development of clinical guidelines and describes the knowledge and skills needed to demonstrate efficacy Drawing on her own experience as a researcher practitioner and lecturer Andrea Gilroy looks at the implications of EBP for art therapy and examines common concerns about the threat it may pose to the future provision of art therapy within public services Art Therapy Research Evidence Based Practice addresses issues which are critical to the future development and even the survival of art therapy Combining insightful analysis with practical guidance and examples this is an ideal resource for practitioners and for those in training Andrea Gilroy is Reader in Art Psychotherapy at Goldsmiths University of London

*The Handbook of Art Therapy* Caroline Case,Tessa Dalley,2013-01-11 It provides a comprehensive introduction to the field of art therapy in a variety of different settings

*Art Therapy* Judith Aron Rubin,1999 What is art therapy How do art therapists use art to understand and to help people What does the future of art therapy look like This book provides a map of the territory of this rapidly growing discipline Surveying the field from both a historical and a current perspective the book covers a wide variety of practitioners and approaches The reader will learn how art therapy is used to assess and to treat people of all ages and conditions in many kinds of settings including clinics hospitals schools prisons community centers and nursing homes Art Therapy An Introduction brings art therapy to life with over 40 clinical vignettes and almost 200 illustrations of artwork and of art therapy in action Offering a rich array of sources and resources the book will be of interest to clinicians and teachers in many fields such as psychiatry psychology social work counseling art and education
