Offshore Company Fundamentals David Offshorman, 2021-04 Everything starts out small The author of this book once heard this mysterious word offshore for the first time too And he too asked himself questions like What does a registered agent do How much do nominee services cost Why do I need an apostille

and Where is it better to open a bank account It is this inexperienced reader that the book is intended for and its title speaks for itself Offshore Company Fundamentals contains basic information that is necessary to anyone who on hearing the word Panama thinks of a broad hat rather than of Panama Papers However a sophisticated reader will also appreciate the survey of events and facts without which the topic can hardly be considered properly covered although they do not exactly qualify as fundamental stuff Panama Papers and other offshore leaks What data will be available in the era of worldwide exchange of information sometimes the future looks back at you from your computer screen Cyprus deposit haircut 2013 an event that usually makes one lose faith in humanity but in this case for some reason the only thing lost was money How to open a bank account in the new environment Learning to fly is easier International Consortium of Investigative Journalists ICIJ an organisation that is more like an elite Boy Scout task force digging up compromising material on the powers that be if they are in any way associated with offshores Where is the nominee director heading Wherever he is heading now you will not be going the same way Compliance Officer a bogey that sophisticated businessmen use to scare children into good behaviour The more recent popular questions also include What are CFC rules Will I need to comply with economic substance requirements How does the automatic exchange of tax information work Why set up a trust Of course the author could not but cover these highly relevant topics too Whether he has succeeded in this and other tasks is up to you to decide

Offshore Account Secrets Howexpert, Jared Osbourne, 2020-01-05 Offshore jurisdictions have been a subject to international allegations from the beginning of their existence The governments are increasingly trying to tackle people opening bank accounts in those places by not telling the truth that they are completely legal if you don't hide them However this is all very far from the reality Even the United States allows it In recent years the United States has become one of the world's favorite tax havens Have you ever wanted more privacy personal freedom asset protection So this book is right for you In it you will learn what requirements you will need to meet if you want to open an offshore bank account remotely and create a brighter financial future for you About the Expert Greetings My name is Jared Osbourne and I am an accountant and financial advisor with over 20 years of experience I have interests in global economy and finances Through my rich experience as a professional financial planner I had to deal with a lot and many times exceedingly comprehensive problems That is why I had to be dynamic and every day to learn newer and newer things Many of my clients have asked for my assistance for opening an offshore bank account So I decided to write a book and help all the people across the USA who wanted to know more about offshore accounts and to give them some insights and tricks for doing it properly HowExpert publishes quick how to guides on all topics from A to Z by everyday experts
