Future Wave End Times Prophecy And The Technological Explosion:

Why the End of the World is Not in Your Future Gary DeMar, 2008 **End Times Fiction** Gary DeMar, 2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye's Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society Future Wave Edward E. Hindson, Lee Fredrickson, 2001 Should we be concerned about powerful technology Will videogames electronics and computers be used to usher in the time of Antichrist In light of biblical prophecy what can we expect Future Wave is a fascinating look at How today's advances will affect the future What the Bible says will happen How to prepare for what's to come Prophecy expert Ed Hindson and technology expert Lee Fredrickson examine the negatives and positives of technology including how Satan might use it and the role it plays in spreading the gospel *Left Behind: Separating Fact from Fiction* Gary DeMar, 2009 *The Information Revolution* Laura K. Egendorf, 2004 Presents differing viewpoints on issues related to the Internet and the information revolution The Second Coming of Jesus Christ David L. Toney, 2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the world such as Y2K or the end of the Mayan calendar only to see these events come and go there persists yet another source that still accurately foretells the events and phenomena we see play out on the world's scene Instead of focusing on fleeting signs and events the Bible shows us how a growing tide of global conflict human suffering and natural disasters points toward a powerful truth we are living in the end times In *The Second Coming of Jesus Christ An Analysis of End Time Bible Prophecy* author David L Toney explores how contemporary events not only parallel but also signify the fulfilment of Bible prophecies throughout both the Old and New Testaments From the return of the Jews to Israel as foretold in Ezekiel to the rise of the Antichrist as anticipated in Revelation discover prophecies and the modern day events related to the end of the six thousand year reign of humanity the stirrings of World War III and the appearance of catastrophic natural phenomena That we are living in the end times is good news for good people and bad news for bad people and the most important event prophesied to take place in these latter years the second coming of Jesus Christ will soon take place **Forthcoming Books** Rose Arny, 2001 **Prophets & Prophecies** Artemio Saguinsin, 2025-11-07 Explore the pages of the book and discover the prophecies that are prophesied by the prophets of God that have been happening today and those that will come to fulfillment in these last days until the coming of the Lord Jesus Christ Be informed and warned of the surrounding events that are critically taking place around the world today Likewise read also the prophecies of the self proclaimed prophets that failed to come to reality *Books in Print*
