Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of

illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they re important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done

Humanism and the Rhetoric of Toleration

Gary Remer, 2010-11-01 Religious toleration is much discussed these days But where did the Western notion of toleration come from In this thought provoking book Gary Remer traces arguments for religious toleration back to the Renaissance demonstrating how humanist thinkers initiated an intellectual tradition that has persisted even to our present day Although toleration has long been recognized as an important theme in Renaissance humanist thinking many scholars have mistakenly portrayed the humanists as proto Enlightenment rationalists and nascent liberals Remer however offers the surprising conclusion that humanist thinking on toleration was actually founded on the classical tradition of rhetoric It was the rhetorician's commitment to decorum the ability to argue both sides of an issue and the search for an acceptable epistemological standard in probability and consensus that grounded humanist arguments for toleration Remer also finds that the primary humanist model for a full fledged theory of toleration was the Ciceronian rhetorical category of sermo conversation The historical scope of this book is wide ranging Remer begins by focusing on the works of four humanists Desiderius Erasmus Jacobus Acontius William Chillingworth and Jean Bodin Then he considers the challenge posed to the humanist defense of toleration by Thomas Hobbes and Pierre Bayle Finally he shows how humanist ideas have continued to influence arguments for toleration even after the passing of humanism from John Locke to contemporary American discussions of freedom of speech

How to Preach

G. Morgan, 2016-08-13 If there is any excuse for this book it is that it is an attempt to answer a question that I have been asked certainly hundreds of times during the course of my work of preaching The question has taken many forms but it is essentially the same It is an enquiry concerning methods of preparation in expository preaching Individual preachers and groups of preachers have asked me to tell them how I work I have always felt it difficult to reply During the three years in which I was President of Cheshunt College Cambridge I attempted to talk to the students on the subject The notes of what I then said are embodied in these Lectures In 1925 I gave them to the students of the Biblical Seminary in New York They then appeared in condensed form in the Biblical Review I have now simply taken these reprints and recast them In so far as Rules are found here they may be largely ignored for as I have said in the course of these studies no man can make Rules for another But I hold that the Principles set forth are of fundamental importance and vital value in preaching In sending the book forth I hope it may be found of some help to those believing in the supreme place of preaching are desirous of some guidance in the sacred work G CAMPBELL MORGAN

Westminster Chapel London *The Works of God Declar'd, in a Sermon [on Numb. Xxiii. 23] Preach'd at Turners-Hall, the 12th of the 9th Month, ... Being the Day of Thanksgiving for the Success of the Queen's Forces, Etc* Joseph JACOB (of Southwark.),1702 The Basics of Preaching & the Purest Gospel Romeo B. Macale,2018-10-22 This book teaches the basics of preaching and how to preach the Gospel It is a collection of ideas from different preachers and theologians who had been veteran preachers themselves There is no doubt that if God calls someone like Samuel from the Old Testament to preach His Word He prepares and trains the servant how to preach However it cannot be ignored the fact that God uses instrument to accomplish His goals A classic example of this is the case of Samuel God prepared the Prophet Eli to educate him as an apprentice As a result Hannah Samuel s mother entrusted her son to be trained by Eli for many years until he graduated from the preacher s training institute and was ripe for God s service Hence this book can be used as help for him to learn to improve how to preach or it can be utilized as a textbook in Homiletics for God s called preacher In the last chapter of this book one can find the description of the book of the Epistle to the Romans as the purest Gospel Martin Luther the distinguished Protestant Reformer describes the Epistle of Paul the Apostle to the Romans as the purest Gospel Thus he wrote a commentary on Paul s epistle to the Romans called Commentary on Romans which is summarized in this book *A Lay Preacher's Guide* Karoline M.
