Dirty Dealing Gary Cartwright, 2010-11 A hell of a story about drugs corruption and violence told by a virtuoso Playboy magazine Dirty Dealing a true story chronicles the rise and fall of the house of Chagra The Chagra brothers of El Paso were pioneers in smuggling drugs across the Mexican border and were infamous for their fabulous wealth But in the end Lee Chagra was gunned down a federal judge was assassinated Jimmy and Joe Chagra were imprisoned and Charles Harrelson actor Woody Harrelson's father was convicted for the judge's murder When Federal Judge John Maximum Wood was shot outside his home in San Antonio Texas in 1979 the first assassination of a federal judge in more than a hundred years his death sent waves of shock across the country The FBI labeled it the crime of the century Former President Nixon expressed outrage calling for quick arrest and punishment But the crime's solution would be anything but fast Dragging on for years and costing 11.4 million the investigation turned out to be the largest in recent FBI history surpassing even that of President John F Kennedy's assassination Gary Cartwright senior editor of Texas Monthly and author of several nonfiction bestsellers details the full history of the events leading up to this crime and the trials that followed in Dirty Dealing This reprint from Cinco Puntos Press includes a new afterword by the author Complete with shady maneuverings on the part of the federal government and an outcome that Kirkus Reviews has called straight from Oz Dirty Dealing is one of the richest and most fascinating of all true crime stories From the Author Gary Cartwright I don't claim much of a literary background The town where I grew up Arlington Texas had a tiny library above the fire station The first writer who truly impressed me and caused me to wonder if there was something out there for me was Hemingway For a long time I tried to emulate his clean crisp style and feeling for life and death I was going pretty well with Hemingway when I got sidetracked by Durrell's Alexandria Quartet at which time I lapsed into my Purple Period Nelson Algren's Walk on the Wildside I think I read some Conrad about the same time got me out of the stench of lyrical overripe nonsense and back in the dust where I belonged Somewhere in there I read Robert Stone's A Hall of Mirrors and later Dog Soldiers and began to understand that a writer's true function was storytelling Like a lot of writers my age my head was turned by reading J D Salinger though I didn't understand him I came to prefer William Goldman who wrote more to my level and with a skill I

could appreciate and borrow from I know it's popular in literary circles to dismiss Goldman as a hack gone Hollywood but I wish I had his gift as a storyteller In recent years I have fallen in love with such mystery writers as Raymond Chandler Dashiell Hammett and John LeCarr There is something cynical and laconic in the way these writers weave a story as though to say life really has no resolution it's just one damn thing after another but worthwhile if it's done right Two books that influenced my own works were David Storey's *This Sporting Life* which I read shortly before beginning my football novel *The Hundred Yard War* and Truman Capote's *In Cold Blood* which was the inspiration for my two latest books *Blood Will Tell* and *Dirty Dealing* I am fascinated by this genre and have come to recognize that life imitating art is every bit as literate as art imitating life In a way I can't quite explain *Dirty Dealing* was influenced too by John Reed's *Insurgent Mexico* Reed got across a feeling for how the isolation of desert wastelands gives both a meaning and a meaninglessness to life and how codes within cultures are more permanent than laws within nations

Dirty Dealing Gary Cartwright, 1984 A flamboyant family of smugglers the assassination of a Federal judge the costliest FBI investigation in history these are the elements of this riveting true story It is a tale that as it unfolded was front page news across the nation Now fully revealed for the first time by this best selling author it shows itself to be one of the richest and most fascinating of all crime stories

Dirty Deal Christine Bell, 2014-08-25 He's so much more than she bargained for Professional matchmaker Serena Elliott spends her workdays helping clients find love It's the perfect gig She gets to see the good part of the relationships before things inevitably turn to crap She leads her own love life the same way Get in and get out before things get too complicated One date with sexy army doctor Bryan Metcalf won't be enough to make her change her mind no matter how hot it gets Bryan has had his share of crazy women and isn't in the market for another relationship that ends by way of restraining order When Serena Elliott gets into a bidding war for him at a charity bachelor auction he's a little worried Turns out she's just as anti relationship as he is and could be the solution to all his problems If he can convince her to be his fake girlfriend he just might be able to spend the rest of his leave in peace Now if only he can stop thinking about that night on the beach But there are other forces at work that believe these two belong together and they just might find out that happily ever afters do exist

Dirty Dealing Peter Lilley, 2000 An international fraud investigator reveals not only are criminals involved in money laundering but legitimate businesses are often caught up in the practice through internet fraud corrupted employees or hidden organized crime connections

Dirty Dealings Gillian Godden, 2023-03-03 A gritty powerful story A must read for fans of gangland crime Bestselling author Kerry Kaya Tony Lambrianu might look like he's sitting pretty but when you're the kingpin of a gangland empire you have to keep your guard up at all times Deceit and betrayal lurk around every corner With threats looming from all sides he is about to find out just who his real enemies are Meanwhile Tony's twin daughters Scarlet and Katie Lambrianu have their sights set on building their own empire and establishing a Lambrianu legacy of their own but will it cost them everything As Tony fights for personal survival and to protect his family danger comes from unexpected

places It seems everyone is willing to resort to dirty dealings but how low will Tony go to avoid the devastating consequences of failure Dirty Dealings is the shocking final instalment in this gripping gangland series by Gillian Godden Perfect for fans of Kerry Kaya Kimberley Chambers and Martina Cole What people are saying about Gillian Godden The characters were so real I m still looking over my shoulder Bestselling author Owen Mullen Exciting breathtaking and absolutely fantastic Reader Review If you are looking for a great gangland family drama series these books are for you Reader Review A fast and riveting book that will keep you burning the midnight oil Highly recommended Reader Review Please note this is a re release of Dirty Dealing previously published by Gillian Godden

Dirty Dealing Jeffrey Allan Grosso,2022-06-14 When a young screenwriter goes online to check out the promotional website for a new poker movie called Rounders he s shocked to discover how similar it is to a screenplay he wrote a few years earlier and submitted to a number of studios When he later sees the Miramax produced film in theaters he is astonished by the number of overlapping elements the protagonist playing Texas Hold em to pay his way through college while deceiving the girlfriend who believes he s quit the loss of everything he has in a single hand of high stakes Hold em a character named Worm and many other commonalities that form the foundation of what will become his lawsuit against Miramax He leaves the theater that day feeling that not only has the studio stolen his script but his life which had encompassed years of professional poker playing that informed the screenplay he hoped would open the door to a writing career in Hollywood Against all odds he proceeds to take on Miramax and the Hollywood system with the help of an ingenious lawyer Jeffrey Grosso simply has to prove how it could have happened and convince a judicial system that often favors studios over writers that he s a victim of intellectual property theft which results in a ten year landmark legal battle against Hollywood s most notorious studio Part comic legal thriller part nail biting poker memoir Dirty Dealing Grosso v Miramax Waging War Against Harvey Weinstein and the Screenplay that Changed Hollywood is the entertaining look at one man s fight to get the credit he believes he deserves Does he have a case or are the similarities just an illusion the mind plays on a creator Perhaps there are only five stories in Hollywood as his lawyer points out and no idea is truly original You be the judge
