Discovering a Sermon ,2001   Discovering a Sermon Robert C. Dykstra,2001   **Sermons That Sing** Noel A. Snyder,2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don t interact or inform each other in meaningful ways Theologian pastor and musician Noel A Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing

Believing in Preaching: what Listeners Hear in ,   Crossover Preaching Jared E. Alcántara,2015-10-08 In our increasingly pluralistic and multicultural society there is a need for preaching that is capable of crossing cultural boundaries and engaging multiple contexts Jared Alc ntara s exciting new work proposes an intercultural and improvisational account of preaching in conversation with the legacy of Gardner C Taylor   **The Witness of Preaching, Third Edition** Thomas G. Long,2016-10-01 This is a newly revised edition of one of the standard introductory preaching textbooks on the market today Beginning with a solid theological basis veteran preacher and best selling author Thomas G Long offers a practical step by step guide to writing a sermon Long centers his approach around the biblical concept of witness To be a preacher Long posits is to be a witness to God s work in the worldone who sees before speaking one whose task is to tell the truth the whole truth and nothing but the truth about what is seen This updated edition freshens up language and anecdotes contains an extensive new analysis of the use of multimedia and its impact on preaching and adds a completely new chapter on plagiarism in preaching Included for the first time are four complete sermons with Long s commentary and analysis The sermons were written and originally preached by Barbara Brown Taylor Cleophus J LaRue Ginger Gaines Cirelli and Edmund Steimle With this third edition The Witness of Preaching reaffirms itself as the essential resource for seminary students as well as new and experienced preachers   *Conundrums in Practical Theology* Joyce Ann Mercer,Bonnie Miller-McLemore,2016-09-19 In this landmark volume internationally recognized scholars address key intellectual and practical conundrums that not only trouble practical theology but also reflect biases and breakdowns in the construction of theological knowledge in academy and religious communities at large With critical facility and unheralded honesty that includes reflexivity about their own lives in the academy the authors tackle complex issues that refuse easy solutions racism hierarchy of theory over practice devaluation of small case studies risks of interdisciplinarity to scholarly identity inequities between Christian traditions unreflective Christian centrism and tensions between the production of scholarship and public service Outcomes of these issues will have serious implications for the discipline and the study of theology for years to come Contributors include Tom Beaudoin Eileen R Campbell Reed Faustino M Cruz Jaco Dreyer Courtney T Goto Tone Stangeland Kaufman Joyce Ann Mercer Bonnie J Miller McLemore Phillis Isabella Sheppard Katherine Turpin Claire E Wolfteich

Breaking and Entering Liz R. Goodman,2016-04-18 When Elizabeth Goodman first arrived at the tiny congregation that would become her home as a pastor a congregation of about seven people in a town of just under a thousand the longest

standing member told her that though the congregation was small her preaching need not be In this collection of sermons readers will witness a mind at work amidst a faithful congregation whose numbers are now around thirty mutually nurtured and together having no small amount of fun Meanwhile the ramifications of the gospel in the world will sneak up and surprise Guided always by a spirit of play and by scripture as it is in conversation with life Goodman illuminates both the quiet suggestions that undo what we think we know and the startling demands that are to be both feared and desired This congregation has a tagline It s not what you think They are probably right **Preaching Grace** Kennon L. Callahan,1999-05-14 Preaching today says Kennon Callahan is less about law and more about grace It is about inviting people to discover God s grace perhaps for the first time and touching their lives in a powerful personal helpful way Callahan who has helped tens of thousands of church leaders and pastors through his dynamic workshops and seminars sees the sermon as a shared event for the pastor and the congregation who are gathered to discover the good news for this day and the week to come He sees preaching as a sign of grace compassion community and hope Preaching Grace encourages pastors to develop the approach to preaching that matches with their unique gifts and strengths Through focusing on these strengths pastors will discover more fully their own personal preaching style and advance the sermons that will stir and inspire their congregations to discover the grace of God the compassion of Christ and the healing hope of the Holy Spirit
