No matter what brought you here, I can promise that on the following pages you'll find some of the best tips, trends and insights I have accumulated over the past two decades. My team and I have weathered many storms over the years from economic downturns to global crises like the SARS outbreak of 2003, the Great Recession of 2008-2009 and of course the global COVID-19 pandemic. Through every ebb and flow, values such as trust, integrity and relationship building have remained at the core of all my recruitment successes. What you'll get from this book is intel presented through the lens of these fundamental principles. For several years now, I've been sharing the best of what I know on my company's blog at www.blueskypersonnel.com. So I've meticulously scoured this collection of content and pulled from it what I feel is both timely and timeless in recruitment. All of it with the goal of exponentially growing your business by finding the best talent to hire from the marketplace. As such, this book is designed for you to easily read it from cover to cover in one sitting. But if you choose, you can also use it as a quick reference guide jumping directly to a specific topic of interest when needed.
