From Behind The Couch Reflections On The Spaces Between:

From Behind the Couch Rachel Willoughby Greene, 2015-12-20 We all hide in one way or another From our wardrobe to ideologies the spectrum of ways to hide is vast In doing so we limit our ability to love and live free and authentic lives This book is about discoveries made during the journey out from hiding The reflections and journal questions are intended to help you increase awareness of the ways you hide what you need to come out and how to live once you do **An Ordinary**

Dude's Guide to Meditation John Weiler, There are hundreds of meditation books out there Many written by monks and some written by hippies and spiritual gurus But how many of these books are written by an ordinary dude Someone who is just like you someone who has a day job whose preferred outfit is jeans and a t shirt and enjoys knocking back a few beers on Friday night I m as ordinary as they come The only difference I ve been meditating for over 13 years And I want to show you how you can meditate too in a straightforward language that any ordinary dude or dudette can understand Over a decade of practice meditation has transformed my life bringing more peace calm and clarity into it than I could have ever imagined when I started at the age of 19 And now I want to share how meditation can do the same for you *Reflection* Jessica
