Facets of Unity A. H. Almaas, 2000-09-05 A heartily recommended text for Enneagram enthusiasts and followers of every spiritual tradition by the creator of the Diamond Approach to Self Realization Helen Palmer author of *The Enneagram Facets of Unity* presents the Enneagram of Holy Ideas as a crystal clear window on the true reality experienced in enlightened consciousness Here we are not directed toward the psychological types but the higher spiritual realities they reflect We discover how the disconnection from each Holy Idea defined as an unconditioned objective understanding of reality leads to the development of its corresponding fixation thus recognizing each types deeper psychological core Understanding this core brings each Holy Idea within reach so its spiritual perspective can serve as a key for unlocking the fixation and freeing us from its limitations
