fireman for whom kerosene is perfume this is not just an official slogan It is a mantra a duty a way of life in a tightly monitored world where thinking is dangerous and books are forbidden In 1953 Ray Bradbury envisioned one of the world's most unforgettable dystopian futures and in Ray Bradbury's *Fahrenheit 451* the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel As could only occur with Bradbury's full cooperation in this authorized adaptation Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government controlled thought and the inestimable value of philosophy theology and literature Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork Ray Bradbury's *Fahrenheit 451* is an exceptional haunting work of graphic literature [Fahrenheit 451 \(Deluxe Slipcase Edition\)](#) Ray Bradbury, 2025-11-04 Ray Bradbury's classic novel of resistance *Fahrenheit 451* is available for the first time in a deluxe hardcover edition featuring Striking slipcase with foil Sprayed edges Ribbon marker Designed endpapers In the dystopian America of *Fahrenheit 451* knowledge is the enemy and mass censorship reigns Guy Montag is a fireman His job is to destroy the most illegal of commodities the printed book along with the houses in which they are hidden It is not until he meets his eccentric neighbor Clarisse that he begins to question everything he has ever known Published over seventy years ago Ray Bradbury's internationally acclaimed novel stands as the most enduring critique of censorship Today its message is more relevant than ever before *Fahrenheit 451* Samuel J. Umland, 1994 *Fahrenheit 451* Ray Bradbury Ray Bradbury, 2020-03-08 *Fahrenheit 451* is a dystopian novel by American writer Ray Bradbury *Fahrenheit 451* is the temperature at which book paper spontaneously catches fire and burns It is a futuristic novel describing a time when the government has ordered that all books be burned This may seem to be ridiculous and could never be happening but it is starting to happen in real life now today Now we have a president who accuses everything in the press of being fake news He tells his followers who constitute a near majority never to believe the news media He has ordered the arrest and criminal prosecution of the leading law enforcement officers including the Director of the FBI and the Director of the Central Intelligence Agency He has accused most of his political opponents of corruption and crime Nobody knows what is the truth and what is false any more He says that decisions of the highest courts of the United States are almost all fake He openly attacks and criticizes the highest judges of the Supreme Court He says the truth is false and the false is true The result is we the people do not know who or what to believe All the great scientists have found that climate change is real and our time on this earth may be limited but he says climate change is a hoax and we should ignore the works of the scientists This is not the first time this has happened In China Chairman Mao declared his Cultural Revolution and the Great Leap Forwards China has the oldest civilization in the world going back to before Confucius in 551 479 BC Yet during the Cultural Revolution Chairman Mao ordered all the old books burned and destroyed and even ordered the people to destroy their old household furniture I found this out myself in 2011 when I toured China after the World Memory Championships in Guangzhou China As

a book publisher I wanted to reprint some old classical works I was shocked to discover that no books were available dated before 1949 and few after that Everything earlier than that had been destroyed I am still hoping that some older Chinese books have been preserved in Taiwan I consider a book dated 1949 to be a relatively new book I usually do not bother with such recent books The destruction of all books in China dated before 1949 is not reported on any website that I have found but I saw with my own eyes that all such books were gone *Fahrenheit 451* Ray Bradbury,2008 **Fahrenheit 451** Ray Bradbury,Tim Hamilton,2018 Fahrenheit 451 Ray Bradbury,1989 **Fahrenheit 451** Ray Bradbury,1993 The hauntingly prophetic classic novel set in a not too distant future where books are burned by a special task force of firemen Over 1 million copies sold in the UK Guy Montag is a fireman His job is to burn books which are forbidden being the source of all discord and unhappiness Even so Montag is unhappy there is discord in his marriage Are books hidden in his house The Mechanical Hound of the Fire Department armed with a lethal hypodermic escorted by helicopters is ready to track down those dissidents who defy society to preserve and read books The classic novel of a post literate future Fahrenheit 451 stands alongside Orwell s 1984 and Huxley s Brave New World as a prophetic account of Western civilization s enslavement by the media drugs and conformity Bradbury s powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which over fifty years from first publication still has the power to dazzle and shock
