Discovering Wes Moore Lesson Plans:

Promoting African American Writers Grace M. Jackson-Brown, 2022-10-11 A welcome guide to promoting Black authors through library programming laden with examples and advice from an experienced and dedicated practitioner Especially recommended for outreach minded MLIS students and early career librarians Library Journal Learn how to successfully develop diverse programming through reading books by African American authors and how to build strong partnerships among libraries public organizations and academic departments for multicultural outreach *Promoting African American Writers* is written for school public and academic librarians and other educators who are committed to developing programming that promotes reading of books by African American authors and books with multicultural themes It is an outreach guide to be used by librarians other educators and community service advocates to develop educational programming that helps young people find their voices It supports creativity and teaching of critical thinking skills to students through literature It also includes A variety of programming ideas for school public and academic libraries Ideas for partnerships with community groups and other libraries especially for outreach diversity and literacy Tips for identifying and working with African American writers

Transforming Teaching and Learning with Active and Dramatic

Approaches Brian Edmiston, 2013-09-11 A CHOICE Outstanding Academic Title 2014 How can teachers transform classroom teaching and learning by making pedagogy more socially and culturally responsive more relevant to students lives and more collaborative How can they engage disaffected students in learning and at the same time promote deep understanding though high quality teaching that goes beyond test preparation This text for prospective and practicing teachers introduces engaging innovative pedagogy for putting active and dramatic approaches to learning and teaching into action Written in an accessible conversational and refreshingly honest style by a teacher and professor with over 30 years experience it features real examples of preschool elementary middle and high school teachers working in actual classrooms in diverse settings Their tales explore not only how but also why they have changed the way they teach Photographs and stories of their classroom practice along with summarizing charts of principles and strategies both illuminate the critical cross curricular and inquiry based conceptual framework Edmiston develops and provide rich examples and straightforward guidelines that can support readers as they experiment with using active and dramatic approaches to dialogue inquiry building community planning for exploration and authentic assessment in their own classrooms
