order to address the abuse of power by a patrilineage of political figures in Latin America from Simón Bolívar to Hugo Chávez. The untranslatable title *Simpatía* which means both sympathy and charm ironically references the qualities these political figures share. In a morally bankrupt society where all human ties seem to have dissolved, Ulises is like a stray dog picking up scraps of sympathy. Can you really know who you love? What is in essence a family? Are abandoned dogs proof of the existence or non-existence of God? Ulises unknowingly embodies these questions as a pilgrim of affection in a post-love era. **The**

Collected Fiction of Katherine Mansfield, 1898-1915 Katherine Mansfield, 2012 The resurgence of interest in Katherine Mansfield 1888-1923 in recent years has grown to the extent that she is now perceived as the most emblematic woman writer of her time. Mansfield researchers have been frequently frustrated by the lack of a complete edition of her fiction. There are several editions of her stories in print but these omit many pieces not already collected and published in the volumes edited by Mansfield's husband John Middleton Murry after her death from which present collected editions derive. This Edinburgh edition of her stories published to coincide with the ninetieth anniversary of her death in 1923 is a truly complete collection of the author's fiction writing. The editors have sought to include hitherto uncollected or rarely seen stories and prose fragments as well as the instantly recognisable stories. Placed in chronological order and fully annotated with clear concise notes, this edition undertakes a complete remapping of the author's fiction output from her earliest childhood pieces to the pitch perfect quality of the mature writer at the height of her craft, thereby redefining Katherine Mansfield as a writer for the twenty-first century. **Adventures of Elizabeth in Rügen** Elizabeth Von Arnim, 1904
