**Why Elections Fail** Pippa Norris, 2015-07-08 Too often elections around the globe are unfortunately deeply flawed or even fail What triggers these problems In this second volume of her trilogy on electoral integrity Pippa Norris compares structural international and institutional accounts as alternative perspectives to explain why elections fail to meet international standards The book argues that rules preventing political actors from manipulating electoral governance are needed to secure integrity although at the same time officials also need sufficient resources and capacities to manage elections effectively Drawing on new evidence the study determines the most effective types of strategies for strengthening the quality of electoral governance around the world With a global perspective this book provides fresh insights into these major issues at the heart of the study of elections and voting behavior comparative politics democracy and democratization political culture democratic governance public policymaking development international relations and conflict studies and processes of regime change

***Building Inclusive Elections*** Toby S. James, Holly Ann Garnett, 2020-11-25 Elections around the world are plagued with the problem of unequal levels of participation This can have profound consequences for election results representation and policies This book focuses on the interventions that can be used to redress the turnout gap and other inequalities within the electoral process The book defines the concept of inclusive voting practices to refer to policy instruments which can reduce turnout inequality between groups and mitigate other inequalities within the electoral process Studies from around the world then examine how policies can affect inclusivity on election day This includes research on enfranchising felons and migrant communities compulsory voting voter ID requirements voter registration practices investment in electoral management gendered electoral violence accessible voting practices and overseas voting As a result this book will be of interest to scholars of democracy democratic theory and elections as well as having major policy implications worldwide The chapters in this book were originally published as a special issue of the journal Policy Studies

***Contentious Elections*** Pippa Norris, Richard W. Frank, Ferran Martínez i Coma, 2015-04-10 From Afghanistan to Zimbabwe the world has witnessed a rising tide of contentious elections ending in heated partisan debates court challenges street protests and legitimacy challenges In some cases disputes have been settled peacefully through legal appeals and electoral reforms In the worst cases however disputes have triggered

bloodshed or government downfalls and military coups Contentious elections are characterized by major challenges with different degrees of severity to the legitimacy of electoral actors procedures or outcomes Despite growing concern until recently little research has studied this phenomenon The theory unfolded in this volume suggests that problems of electoral malpractice erode confidence in electoral authorities spur peaceful protests demonstrating against the outcome and in the most severe cases lead to outbreaks of conflict and violence Understanding this process is of vital concern for domestic reformers and the international community as well as attracting a growing new research agenda The editors from the Electoral Integrity Project bring together scholars considering a range of fresh evidence analyzing public opinion surveys of confidence in elections and voter turnout within specific countries as well as expert perceptions of the existence of peaceful electoral demonstrations and survey and aggregate data monitoring outbreaks of electoral violence The book provides insights invaluable for studies in democracy and democratization comparative politics comparative elections peace and conflict studies comparative sociology international development comparative public opinion political behavior political institutions and public policy      *Elections during emergencies and crises* Toby S. James, Alistair Clark, Erik

Asplund, 2023-05-08 Elections often have to be held in emergency situations The Covid 19 pandemic was one of the most serious emergency situations that the world has seen The rapid spread of the virus presented a huge humanitarian threat but also an unparalleled challenge to electoral stakeholders globally seeking to protect electoral integrity during times of uncertainty This volume identifies how the pandemic affected electoral integrity what measures were put in place to protect elections and what worked in defending them It brings together a comprehensive set of 26 country case studies to explore how elections were affected on the ground what measures were put in place and what worked These case studies are of elections which took place in the eye of the storm when practitioners and policymakers were operating under uncertainty and without the benefit of hindsight To learn lessons in a more systematic way this volume also provides a thematic analysis of electoral integrity during the pandemic using crossnational studies This provides the big picture for policymakers practitioners and academics looking back at the crisis The volume therefore seeks to contribute towards the future development of policy and practice However it does so by using academic research methods and concepts which enable greater confidence in the policy lessons as well as contributing directly to the scholarship on democracy democratization and elections The volume includes 11 areas of recommendation based on the evidence collected in this volume to protect electoral integrity in any future emergency situation      Electoral Management Design International IDEA, 2014-12-20 This Handbook was developed for electoral administrators and those involved in reforming EMBs It provides comparative experience of and best practices on EMB structures and funding models as well as means for evaluating performance A range of case studies illustrate examples from specific contexts in Afghanistan Armenia Bosnia and Herzegovina Cambodia Costa Rica Haiti India Kenya the Republic of Korea Liberia Mexico Nigeria Norway Senegal Republic of Seychelles Timor

Leste Tonga Tunisia Ukraine the United Kingdom and the United States This new and revised edition of the 2006 International IDEA Handbook includes updated country level data and case studies and significantly expanded sections on the role of gender professional development and technology in elections     *Hyper-active Governance* Matthew Wood,2019-06-27 The concept of hyper active Governance shows how politicians govern complex networks in light of the politicisation of expertise     **ELITE,ELECT and ELECTION** J. MEACHAM,2020-03-10 The way in which elections are run is changing as radical reforms or experiments have been introduced across the world This book establishes why election administration might be used by political elites to win and maintain power It identifies the role of elite interests in shaping election administration in USA UK and Ireland JUST CLICK Add To Cart

### **Elite Statecraft And Election Administration Bending The Rules Of The Game Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Elite Statecraft And Election Administration Bending The Rules Of The Game has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elite Statecraft And Election Administration Bending The Rules Of The Game has opened up a world of possibilities. Downloading Elite Statecraft And Election Administration Bending The Rules Of The Game provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elite Statecraft And Election Administration Bending The Rules Of The Game has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elite Statecraft And Election Administration Bending The Rules Of The Game. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elite Statecraft And Election Administration Bending The Rules Of The Game. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elite Statecraft And Election Administration Bending The Rules Of The Game, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elite Statecraft And Election Administration Bending The Rules Of The Game has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
