## **Do The Right Thing Pr Tips For A Skeptical Public:**

**Do the Right Thing** James Hoggan, Richard D. Littlemore, 2009 In the current climate of mistrust people are not just tired of cute advertising and glib PR spin they are openly hostile People have grown disillusioned and distrustful and if people don't trust you it is very difficult for them to hear what you are saying You can't buy credibility or invent it overnight You have to earn it You have to establish your reputation carefully and over time

**I'm Right and You're an Idiot - 2nd Edition** James Hoggan, 2019-07-02 Become a more effective and powerful communicator in today's highly polarized and polluted public square The most pressing problem we face today is not climate change It is pollution in the public square where a toxic smog of adversarial rhetoric propaganda and polarization stifles discussion and debate creating resistance to change and thwarting our ability to solve our collective problems In this second edition of I'm Right and You're an Idiot James Hoggan grapples with this critical issue through interviews with outstanding thinkers and drawing on wisdom from highly regarded public figures Featuring a new radically revised prologue afterword and a new chapter addressing the changes in the public discourse since the 2016 United States election his comprehensive analysis explores How political will is manipulated How tribalism shuts down open minded thinking undermines trust and helps misinformation thrive Why facts alone fail and how language is manipulated and dissent silenced The importance of dialogue empathy and pluralistic narrative reframing arguments to create compelling narratives and spur action Our species greatest survival strategy has always been foresight and the ability to leverage intelligence to overcome adversity For too long now this capacity has been threatened by the sorry state of public discourse Focusing on proven techniques to foster more powerful and effective communication I'm Right and You're an Idiot will appeal to readers looking for deep insights and practical advice in these troubling times
