Latin American Mystery Writers Darrell B. Lockhart, 2004-03-30 Latin America has a rich literary tradition that is receiving growing amounts of attention The body of Latin American mystery writing is especially vast and diverse Because it is part of Latin American popular culture it also reflects many of the social and cultural concerns of that region This reference provides an overview of mystery fiction of Latin America While many of the authors profiled have received critical attention others have been relatively neglected Included are alphabetically arranged entries on 54 writers most of whom are from Argentina Mexico and Cuba Every effort has been made to include balanced coverage of the few female mystery writers Each entry is written by an expert contributor and includes a brief biography a critical discussion of the writer s works and primary and secondary bibliographies The volume closes with a general bibliography of anthologies and criticism Jacques Rivette and French New Wave Cinema James R Russo, 2023-03-18 This first comprehensive English collection of the interviews of Jacques Rivette 19282016 documents his career through chronology filmography bibliography and image stills A comprehensive introduction places this work in the wider context of twentieth century social change Rivettes films like many of the works of the French New Wave seem to have avoided the aging process entirely remaining as playful fresh and quietly spectacular as the day they were made Indeed his body of work may be the most impressive of the French New Wave Celine and Julie Go Boating 1974 has been recognized as possibly the best film to emerge from the post New Wave era even as Paris Belongs to Us 1961 is one of the best pictures to emerge from the New Wave itself Rivette was hardly the most prolific director however and the length of his films has often counted against him Nonetheless his clinical self reflexive essays in film form reveal him as a cinematic purist whose commitment to the celluloid muse hardly diminished from the heady days of the early 1950s to the end of his career in 2009 Beyond inspiring the New Wave movement and continuing to reflect and reflect on its central tenets Rivettes enduring contribution to the history of film is unquestionably evident in his sensitive treatment of the histories and destinies of women especially through strong roles for actresses During the six decades of his career nonetheless he struck a subtle balance not only between female and male characters but also between political and personal obsession between myth and fiction between theater and cinema in films that in addition to having influenced such contemporary filmmakers as Claire Denis Jim Jarmusch Olivier Assayas and David Lynch continue to redefine the art of cinema around the world **WILCOCK** Adolfo Bioy Casares, 2021-06-01 Celebrado como el Shelley argentino por sus versos de lirismo neorrom ntico que le valieron una precoz consagración literaria Juan Rodolfo Wilcock 1919 1978 ingres muy joven en el círculo de la revista Sur Su inteligencia y su formación cosmopolita no tardaron en ganarle el afecto de Adolfo Bioy Casares y de Silvina Ocampo con quienes comparti veladas viajes a Europa y estadías veraniegas en Mar del
