What's Best Next Study Guide Matt Perman, 2019-12-10 By anchoring your understanding of productivity in God's plan the *What's Best Next Study Guide* gives your study group or class a practical approach for increasing effectiveness in work and life There are a lot of myths about productivity what it means to get things done and how to accomplish work that really matters In our current era of innovation and information overload it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling So how do you get more of the right things done without confusing mere activity for actual productivity Matt Perman has spent his career helping people learn how to do work in a gospel centered and effective way *What's Best Next* explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work even in our everyday grind The *What's Best Next Study Guide* a companion to *What's Best Next* and the *What's Best Next Video Study* offers a practical approach for improving productivity in all areas of life It will help you better understand How to create a mission statement for your life that's actually practicable How to delegate to people in a way that really empowers them How to overcome time killers like procrastination interruptions and multitasking by turning them around and making them work for you How to process workflow efficiently and get your email inbox to zero every day How to have peace of mind without needing to have everything under control How generosity is actually the key to unlocking productivity This twenty four session study guide includes Reflection questions for group and personal study Video teaching notes Frequent Bible references and quotes from Christian thinkers Ample space for notetaking Closing prayers at the end of each session Productivity isn't just about getting more things done It's about getting the right things done the things that count make a difference and move the world forward You can learn how to do work that matters and how to do it well

Preaching and the Mission of God David R. Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God's people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You'll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher's guild

Working Blessedly Forever, Volume 2 R. Paul Stevens, Lucas Lee, 2025-02-27 In volume 1 of *Working Blessedly Forever* Paul Stevens argues that doing marketplace theology requires head thought heart prayer and hand action Volume 2 takes up the doing part through the experience of multiple practitioners thus providing a practical marketplace theology So under the headings of *Doing Theology from Above* and *Below Dimensions of Marketplace Practice Issues in the Marketplace* and

Marketplace Practice and the Church these sixteen authors ranging from a machinist to a lawyer elaborate on what they have learned about the integration of faith and work from their actual work life Edited by R Paul Stevens who writes the introduction a short introduction to each session three of the short chapters and the epilogue this book does not cover everything but gives a window into the actual life of a marketplace Christian in their work for God and neighbor Along with volume 1 this puts flesh on the invigorating and empowering truth of biblical marketplace theology **Every Waking Hour** Benjamin T. Quinn, Walter R. Strickland II, 2016-04-25 Pastors and chaplains aren't the only ones in ministry every Christian is called to be a minister through his or her work in the world But in order to fully understand what this entails we must look to the Bible and develop a fuller understanding of work as any way we interact with God's creation Doing so may transform our view of how Sunday morning impacts our work a day lives and vice versa In Every Waking Hour Benjamin Quinn and Walter R Strickland develop a biblically and theologically rich view of work vocation and how we may glorify God through everything we do **Social Justice Goes To Church: The New Left in Modern American Evangelicalism** Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas The Right To Choose Meeka Six, 2024-11-17 The Right to Choose explores the

complex issue of abortion from a Biblical perspective examining the moral spiritual and biological dimensions of life s sanctity Rooted in the belief that all life originates from GOD and is divinely purposed the book challenges the notion of personal autonomy in decisions of life and death arguing that human life beginning with the man s seed belongs ultimately to the CREATOR It delves into biblical teachings on life the responsibilities of parenthood the moral implications of rejecting life and provides alternatives to abortion that align with faith and morality such as adoption and celibacy Through scriptural insights and an exploration of the divine order of GOD *The Right to Choose* calls for a renewed reverence for life and urges readers to see choice as an opportunity to honor the design and commandments of GOD *Serving a Movement* Timothy Keller,2016-03-15 In *Serving a Movement* best selling author and pastor Timothy Keller looks at the nature of the church s mission and its relationship to the work of individual Christians in the world He examines what it means to be a missional church today and how churches can practically equip people for missional living Churches need to intentionally cultivate an integrative ministry that connects people to God to one another to the needs of the city and to the culture around us Finally he highlights the need for intentional movements of churches planting new churches that faithfully proclaim God s truth and serve their communities This new edition contains the third section of Center Church in an easy to read format with new reflections and additional essays from Timothy Keller and several other contributors **An Impossible Marriage** Laurie Krieg,Matt Krieg,2020-10-27 Laurie and Matt Krieg are in a mixed orientation marriage Laurie is primarily attracted to women and so is Matt With vulnerability and wisdom they tell the story of how they met and got married the challenges and breakthroughs of their journey and what they ve learned about how marriage is meant to point us to the love and grace of Jesus Study Guide and Workbook to Accompany Frederic S.
