Education Groups For Men Who Batter Education Groups For Men Who Batter:

Education Groups for Men Who Batter Ellen Pence, Michael Paymar, 1993-04-06 Pence and Paymar are right on target again Their analysis of battering is excellent and their approach is straightforward useful and clear The book tells you what to do with abusive men and how to do it well The authors challenge practitioners to do their work in a manner that is compassionate yet never colluding Accountability and safety to battered women and creating a process of change for abusive men are central to its success Susan Schechter author of Women and Male Violence Drawing upon years of experience Pence and Paymar have written a practical and conceptually sound curriculum for batterers groups This book offers an effective guide to both the beginning facilitator and the experienced clinician for engaging batterers in the lifelong process of changing their intimate relationships from those based on coercive control to those based on equality They accomplish this task without compromising their commitment to advocacy with battered women Anne L Ganley PhD Domestic Violence Program Seattle Veterans Administration Medical Center Presents the most comprehensive and successful methods for working with men who batter Mixing discussion self analysis and opportunities for learning new behaviors this well mapped out intervention strategy helps counselors hold men accountable while teaching non abusive behaviors Fernando Merderos Executive Director of Common Purpose Boston MA Education Groups for Men Who Batter is a curriculum and a methodology which unequivocally identifies the exercise of violent and coercive tactics against women in intimate relationships as intentional strategic behavior It is an essential training tool for all actors in the justice and human services systems Only when tactics of control are seen as intentional intimate terrorism can these systems construct responses effectively to end the violence Barbara J Hart Esq Pennsylvania Coalition Against Domestic Violence Presents the leading approach to undoing men s abuse of women The Duluth Model has pioneered an approach based on the experiences of abused women and consequently tailored to their circumstances It tackles the social dimensions of woman abuse more directly and decisively than any of the psychological or skill building approaches circulating in the field Edward W Gondolf author of Men Who Batter Battered Women as Survivors and Psychiatric Response to Family Violence The Duluth Model has inspired activists all over the world and its principles are being followed in programs in several countries We predict that this book will become the standard text for those who work with men who batter Rebecca Emerson Dobash and Russell P Dobash authors of Violence Against Wives Women Violence and Social Change and Women Viewing Violence **Battered Women in the Courtroom** James Ptacek, 1999 For the first time a study of the ways in which judges respond to abused women **The Violences of Men** Jeff Hearn, 1998-07-08 Addressing the problem of men s violence to known women this book considers the scale of and critically reviews the theoretical frameworks used to explain this violence From the perspective of critical studies on men Jeff Hearn discusses issues challenges and possible research methods for those researching violence He draws on extensive research to analyze the various ways in which men describe deny justify and excuse their violence and

considers the complex interaction between doing violence and talking about violence The book concludes with a summary of the key issues for theory politics policy and practice Gender-Based Perspectives on Batterer Programs Edward W. Gondolf,2015-08-15 Gender Based Perspectives on Batterer Programs responds to the intense debate about the approach and effectiveness of batterer programs especially in light of the evidence based practice movement But it does so through a collection of 24 interviews with batterer program founders and leaders who have been working in the field for 25 to 35 years In the process it answers many of the misconceptions and misrepresentations of batterer programs and highlights their contributions and development It also offers recommendations to researchers and the field in general that would help strengthen the work overall More specifically the book is a follow up to the author s research oriented book The Future of Batterer Programs Reassessing Evidence Based Practice Northeastern University Press 2012 That book critically reviewed the research on batterer programs in light of the demand for documentation of program effectiveness and documented the effective role of batterer programs in an intervention system It also exposed the need for evidence based practice research to include the feedback interpretations and critique of practitioners who have their own evidence to contribute In Gender Based Perspectives on Batterer Programs a summarizing introduction and conclusion on leadership frame the set of leader interviews The collection of interviews represents an archive of the experience and wisdom of long term workers in the field many of whom are on the verge of retirement This database should help researchers develop more meaningful studies and ground research results in actualities of the work Ideally the interviews will also help practitioners realize their commonalities and better represent themselves to their critics and public in general *Clearinghouse Review* ,1996

,1995 97839 **Woman Battering in the United States** Helen M. Eigenberg,2001 Using her own original writings and some taken from a variety of previously published books and periodicals Eigenberg U of Tennessee at Chattanooga displays woman battering with all of its edges showing The book examines woman battering as a means of social control and as a crime that is routinely ignored by all ranks of society Articles cover topics such as what causes battering who is beaten police response to battering and factors in arrests of domestic assaults *Abuse in the Family* Alan R. Kemp,1998 In this practical eye opening book author Alan Kemp uses an ecological approach to examine the widespread social problem of family maltreatment By examining the complex relationships that exist on a macro meso and micro level students will be better prepared to make a difference in a world confronted by this colossal and disheartening social problem and to answer the following questions Why does family maltreatment occur What do its victims experience How do they recover What can we do to help them How can we understand the perpetrators and How might we reduce or prevent family abuse Violence and Sexual Abuse at Home Robert Geffner,Susan B. Sorenson,Paula K. Lundberg-Love,1997 Analyzes commonly used intervention and prevention techniques in family violence and sexual abuse and details alternative approaches and theories for understanding and reducing family abuse Topics include a biopsychosocial model of relationship aggression female offenders in domestic violence physical abuse and childhood disability and treating sexual concerns of adult incest survivors and partners For clinicians researchers advocates and other professionals working with abusers and victims of all ages Paper edition 0 7890 0329 5 29 95 Annotation copyrighted by Book News Inc Portland OR **Violent No More** Michael Paymar,1993 Helps abusive men understand their violence toward women and change their emotional psychological and physical abuse patterns **Law and Psychology** Belinda Brooks-Gordon,Michael Freeman,2006-11-09 Current Legal Issues like its sister volume Current Legal Problems is based upon an annual colloquium held at University College London Each year leading scholars from around the world gather to discuss the relationship between law and another discipline of thought Each colloquium examines how the external discipline is conceived in legal thought and argument how the law is pictured in that discipline and analyses points of controversy in the use and abuse of extra legal arguments within legal theory and practice Law and Psychology the latest volume in the Current Legal Issues series contains a broad range of essays by scholars interested in the interactions between law and psychology The volume includes studies of jury trials in terrorism cases psychological evidence in family law cases child witness testimony and the role of psychology in punishment theory Stopping the Violence David J. Decker,1999 Help men learn to change abusive behavior Stopping the Violence A Group Model to Change Men s Abusive Attitudes and Behaviors helps practitioners reduce the negative atmosphere in a batterers group for men while adapting to clients individual needs abilities and levels of motivation Useful in any type of patient setting this comprehensive hands on guide provides a complete step by step model for a batterer program that includes all of the

forms handouts tools and assignments necessary for the treatment process Pro feminist cognitive and behavioral in its orientation this program works to eliminate the mindset that dominates controls and leads to the battering of women The focus throughout the treatment process described in Stopping the Violence is not only on ending physical violence but addressing what causes it The exercises and suggestions in this program will teach your clients how emotional abuse verbal abuse substance abuse problems mental health issues and entitled and controlling attitudes contribute to and lead to battering You will also find methods to help clients learn to take responsibility for their actions and discover if their childhoods have had an impact on their assumption of patriarchal and controlling attitudes In addition Stopping the Violence offers exercises on building self confidence self esteem self control and emotional support for your clients This guide offers other valuable suggestions and exercises such as an explanation of 12 educational units to be presented by the therapist including such topics as abuse and its effects anger regulation stress management shame and empowerment assertiveness communication and conflict resolution showing the client how to and why he should develop an increased realization of the impact of his abuse assisting the client in learning to monitor his internal and external escalation to violence cues creating a supportive group atmosphere that will decrease men s shame and isolation and increase their ability to feel empathy for themselves and others providing a reading list with additional resources that clients can use to enhance their treatment Vital to any batterers treatment that is starting or already exists Stopping the Violence will help you teach your clients how they can find pride as nonabusive men in a society full of patriarchal values as well as teach them to be in control of themselves not their partners or their children This guide will help you identify and change your clients abusive behaviors and successfully show them how abusive behavior is hurtful and destructive for everyone involved
