Effective Postgraduate Supervision Improving The Studentsupervisor Relationship:

EBOOK: Effective Postgraduate Supervision: Improving the Student/Supervisor Relationship Adrian Eley,Roy Jennings,2005-10-16 What kind of problems are encountered while undertaking postgraduate study How are these problems best avoided or resolved How can the student supervisor relationship be improved This practical guide is based on a series of successful workshops on postgraduate supervision and presents the most frequently encountered difficulties in the student supervisor relationship Detailed but concise case studies offer realistic solutions to the thirty issues discussed including Conflict Culture Distance Funding Isolation Language Management Plagiarism Priority Time Transfer Write up Each case study raises important questions to generate discussion and suggests solutions and preventative measures The book also includes a section that shows how the case studies can be used in a teaching workshop setting Effective Postgraduate Supervision is essential reading for supervisors of postgraduate degrees including those at masters and doctoral level as well as prospective and current postgraduate research students

Enhancing the Doctoral Experience Steve Hutchinson,Helen Lawrence,2017-03-02 One of the major intangible benefits associated with the postgraduate research experience is precisely that the experience And more specifically for an increasing number of international research students the British doctoral experience This experience is often largely defined and shaped by their relationship with and support from their supervisor Enhancing the Doctoral Experience brings together the authors experience and research frameworks and models as well as pragmatic feedback and understanding This synthesis of scholarly theory and pragmatic sampling has produced a book that provides a scaffold for students and supervisors to have conversations about their expectations to discuss what supervision is to articulate clearly what both parties need in order for a successful relationship to occur and to build a mutually beneficial endeavour In many cases these conversations can be complicated by cultural and linguistic differences so the text explicitly addresses these and other sources of misunderstanding Against a challenging background of growing numbers of students but also increasing pressures on time and costs Enhancing the Doctoral Experience offers an approach to improve the effectiveness of the doctoral student and increase the professionalization of research supervision It does so by providing both with an awareness of and a toolkit to approach student diversity
