Our History

The story of IK'SPRESHON. began in the Netherlands, Amsterdam, in 1986. At the time, our founder Finn Bakker was working as an architect for a small firm. Always having an eye for interior design, Finn was fed up with the lack of styles that expressed the trends at the time. He had the vision to combine the latest style trends with modern furniture manufacturing, crafting an affordable product at high quality. In 1987 IK'SPRESHON. launched with Finn's first product line of arm chairs and side tables.

Since then many milestones have been achieved, and we're excited for the future.
