Commonality and Individuality in Academic Discourse Maurizio Gotti, 2009 This volume explores the relationship between shared disciplinary norms and individual traits in academic speech and writing Despite the standardising pressure of cultural and language related factors academic communication remains in many ways a highly personal affair with active participation in a disciplinary community requiring a multidimensional discourse that combines the professional institutional social and individual identities of its members The first section of the volume deals with tensions involving individual collective values and the analysis of collective vs individual discourses

features in academic discourse The second section comprises longitudinal investigations of the academic output of single scholars so as to highlight the individuality in their choices and the reasons for not conforming with the commonality of conventions shared by their professional community The third part deals with genres that are meant to impose commonality on the members of an academic community not only in the drafting of specialized texts but also when these are reviewed or evaluated for possible publication

Learning the Literacy Practices of Graduate School Christine Pearson Casanave, Xiaoming Li, 2008 Attending graduate school presents a wide variety of challenges to both American and international students at U S universities Learning the Literacy Practices of Graduate School explores many of those challenges in depth addressing the textual features and conventions that characterize and underlie the advanced literacy practices at graduate school and examining the unwritten rules and expectations of participation and interpersonal relationships between advisors and advisees and among peers It also delves into the impact of enculturation and interaction on student and faculty identity Many disciplines are covered including those related to second and foreign language learners This volume brings to light the textual social and political dimensions of graduate study that tend not to be spoken or written about elsewhere Learning the Literacy Practices of Graduate School is an inspirational resource book for graduate students and those serving as mentors for graduate students It is indispensable for faculty members and advisors who are teaching classes that introduce students to graduate study

Academic Discourse Across Disciplines Ken Hyland, Marina Bondi, 2006 This volume reflects the emerging interest in cross disciplinary variation in both spoken and written academic English exploring the conventions and modes of persuasion characteristic of different disciplines and which help define academic inquiry This collection brings together chapters by applied linguists and EAP practitioners from seven different countries The authors draw on various specialised spoken and written corpora to illustrate the notion of variation and to explore the concept of discipline and the different methodologies they use to investigate these corpora The book also seeks to make explicit the valuable links that can be made between research into academic speech and writing as text as process and as social practice

Academic Discourse Ken Hyland, 2009-01-01

Academic discourse is a rapidly growing area of study attracting researchers and students from a diverse range of fields This is partly due to the growing awareness that knowledge is socially constructed through language and partly because of the emerging dominance of English as the language of scholarship worldwide Large numbers of students and researchers must now gain fluency in the conventions of English language academic discourses to understand their disciplines establish their careers and to successfully navigate their learning This accessible and readable book shows the nature and importance of academic discourses in the modern world offering a clear description of the conventions of spoken and written academic discourse and the ways these construct both knowledge and disciplinary communities This unique genre based introduction to academic discourse will be essential reading for undergraduate and postgraduate students studying TESOL applied

linguistics and English for Academic Purposes *Language and Discipline Perspectives on Academic Discourse* Kjersti Fløttum, 2009-05-05 This book represents the physical outcome of the symposium Academic Voices in Contrast organised at the University of Bergen Norway in May 2006 The symposium focusing on recent research within the field of academic discourse was initiated and organised by the KIAP project Cultural Identity in Academic Prose see www.uib.no/kiap In this project a special focus has been put on the study of the voice s of the academic author in the doubly contrastive perspective of language and discipline A narrow selection of distinguished scholars were invited to participate at the symposium They were asked to address issues related to traditional linguistic versus contextual approaches or to interlingual and interdisciplinary similarities and differences in academic discourse By the papers of the following the symposium and the present book constitute a clear advancement of the research on academic discourse M A A Ariza L Berge M Bondi S V Bonn S Carter Thomas T Dahl K Fl ttum A M Gjesdal F Grossmann K Hyland T Kinn L Lundquist A Mauranen M Pab n E Rowley Jolivet F Salager Meyer P Shaw J M Swales J L T nnesson E T Vold F Wirth *Academic Discourse* John Flowerdew, 2014-06-11 Academic Discourse presents a collection of specially commissioned articles on the theme of academic discourse Divided into sections covering the main approaches each begins with a state of the art overview of the approach and continues with exemplificatory empirical studies Genre analysis corpus linguistics contrastive rhetoric and ethnography are comprehensively covered through the analysis of various academic genres research articles PhD these textbooks argumentative essays and business cases Academic Discourse brings together state of the art analysis and theory in a single volume It also features an introduction which provides a survey and rationale for the material implications for pedagogy at the end of each chapter topical review articles with example studies a glossary The breadth of critical writing and from a wide geographical spread makes Academic Discourse a fresh and insightful addition to the field of discourse analysis **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards** ,2007 **Cross-Linguistic and Cross-Cultural Perspectives on Academic Discourse** Eija Suomela-Salmi, Fred Dervin, 2009-11-19 The goal of this volume is to examine academic discourse AD from cross linguistic and cross cultural perspectives The adjective Cross cultural in the volume title is not just limited to national contexts but also includes a cross disciplinary perspective Twelve scientific fields are under scrutiny in the articles One of the unique aspects of the volume is the inclusion of a variety of foreign languages English as a lingua franca Spanish French Swedish Russian German Italian and Norwegian Besides in several articles dealing with oral AD comparisons and parallels are also established with written AD The research methodologies used in the studies are varied and they offer an overview of the diversity and richness of approaches to AD All in all it is hoped that the volume appeals not only to young researchers but also to confirmed scholars interested in cross linguistic and cross cultural aspects of AD It will also be of interest to language teachers or teachers who are involved with e g international students and academic mobility
