Discourses Of Freedom Of Speech Discourses Of Freedom Of Speech:

Discourses of Freedom of Speech J. Rudanko, 2012-10-16 Freedom of speech is a tradition distinctive to American political culture and this book focuses on major debates and discourses that shaped this tradition It sheds fresh light on key Congressional debates in the early American Republic developing and applying an approach to fallacy theory suitable to the study of political discourse

Discourses of Freedom of Speech Martti Juhani Rudanko, 2012 This book is for those interested in freedom of speech Today the American Bill of Rights with its famous First Amendment is generally taken for granted but when James Madison proposed a Bill of Rights in 1789 the reaction among his colleagues in the first Congress was hostile The book examines how Madison was able to prevail in spite of such opposition It also focuses on discourses connected to the Sedition Act of 1798 which represented a serious threat to freedom of speech and the first Amendment The author sheds fresh light on key Congressional debates on the Bill of Rights and the Sedition Act by developing and applying an approach to fallacy theory that is suitable to the study of political discourse He further focuses on criticism of the Madison administration in Federalist newspapers during the War of 1812 arguing that Madison's toleration of such criticism was important in shaping a tradition of free expression in the United States Efforts to suppress free expression during the Wilson administration represented a serious challenge to this tradition and the author goes on to employ fallacy theory in examining Congressional discourses for and against Wilson's policy of repression

[The Discourses of Philoxenus, Bishop of Mabbôgh, A.D. 485-519](#) Philoxenus (Mabbugensis), 1894

Opposition In Discourse Lesley Jeffries, 2014-09-11 In this important book Lesley Jeffries introduces a phenomenon which has not been given the attention it deserves the contextual construction of oppositional meaning These are opposites not recognisable as such out of context but that are clearly set up this way in the text concerned The significance of oppositional meaning is well known but the main emphasis has always been on the conventional opposite the opposite recognised by lexical semantics Starting from socio cultural viewpoints moving to original research and then concluding with a new theoretical formulation this book introduces and consolidates a significant new approach to the analysis of oppositional meaning It closes with a discussion of the importance of constructed opposition in hegemonic practice and makes a case for the inclusion of opposition as a central tool of critical discourse analysis It is essential reading for those in stylistics linguistics and language studies

[Alt-Education](#) Catherine Tebaldi, 2025-07-25 Alt Education looks at the stories the right tells about schools a fight between an evil indoctrinating government and a far right freethinking truth warrior between a frigid cultural Marxist teacher and a loving Christian mother This book explores the link between education gender and far right metapolitics and offers insights into the

ways in which it circulates and is normalized Through digital ethnography and fieldwork it explores the production circulation and interpretation of these discourses and the ideologies they express tracing their movement across four groups of women in the US and UK fascists white nationalist Christian nationalists and Republicans Although often understood to be opposed to education the far right is instead opposed to schooling and offers its own practices of alt education Through media alternative schools and home education the far right teaches their ideologies of gender and race knowledge and power as well as transmitting alternative histories sociologies and conspiracies From mom s groups to digital discourses about the evils of public schools social media are key arenas in which women not only teach but are taught far right alternative knowledge Alt education teaches reactionary ideology as a timeless truth normalizing it through discourses of home family and love At the same time alt education borrows and co opts the language of critique normalizing racism sexism and fascism a kind of alternative knowledge while making it exciting as a countercultural critique of woke liberal indoctrination The book concludes with a look at this attempt to speak post truth to power as a way of normalizing and spreading their ideology bringing alt education to a wide audience as their critiques of woke politics spreads across the US UK and into Europe This book is aimed at scholars of the far right and gender as well as scholars and practitioners of education Written in an accessible and engaging tone this book will be of interest to both researchers and advanced undergraduates Feminist Challenges or Feminist Rhetorics? Locations, Scholarship, Discourse Kirsti Cole,2014-03-17 The chapters collected in this book generate discussion about the intersections of feminisms and rhetorics as well as the ways in which those intersections are productive This collection focuses on the locations of feminist rhetorics the various discourses that invoke feminism or feminist and the scholarship that provokes challenges and deliberates issues of key concern In focusing on challenge and location this collection acknowledges the academic and socio discursive spaces that feminisms and rhetorics on or about feminisms inhabit Feminism but also women and what it means to be a woman is a signifier under siege in public discourse The chapters included here speak to the challenges and diversities of feminist rhetoric and discourse in public and private life in the academy and in the media The authors represented in this collection present potential consequences for communities in the academy and beyond spanning international geopolitical racial and religious contexts **The Works of Theodore Parker: A discourse of matters pertaining to religion** Theodore Parker,1907 A Discourse on the Character and Death of John Brown Stephen H. Taft,1872 **Talk Radio, the Mainstream Press, and Public Opinion in Hong Kong** Francis L. F. Lee,2014-07-01 Phone in programs on public and commercial radio channels have been a staple of popular Hong Kong politics since the 1990s In the absence of a fully democratic system they have played an influential role in channeling and mediating public opinion This work examines the phenomenon of talk radio in Hong Kong using as its analytical framework the idea of remediation It argues that the circulation and re circulation of talk radio content through the mainstream media is crucial in explaining the medium s social prominence and influence The process has not only

widened the dissemination of talk radio content but also established talk radio as a channel as well as a symbol for free political expression giving it a role in shaping serious debate not seen in many other societies Drawing on interviews with radio personnel analysis of radio and newspaper content and audience surveys Talk Radio explores the vital and influential world of Hong Kong s phone in programs The book will be of interest to scholars of politics media studies and cultural studies both in Hong Kong and overseas This is the first comprehensive study on political radio phone in talk shows that integrates analyses of the historical transformations of the genre the conversational dynamics and the remediations of citizens voices Exceptionally rich in data rigorous and written in an accessible style it contributes significantly to the fields of media studies discourse analyses public opinion and political communication Mats Ekstr m Professor Department of Journalism Media and Communication University of Gothenburg Sweden One of the most exciting developments in Hong Kong is the rise of talk radio as an interface between the political and public spheres As this new volume demonstrates no one is more qualified to discuss this process than Francis L F Lee one of the most original analysts of modern Hong Kong and its media landscape Gary Rawnsley author of Political Communications and Democracy and editor of Routledge Handbook of Chinese Media A fascinating and extensively researched study of political opinion the general public and the mass media in Hong Kong Jan Servaes editor of Sustainable Development and Green Communication African and Asian Perspectives and author of Communication for Development One World Multiple Cultures Discourses of Morality Jennifer Anne Ostini, 2000 *The Collected Works of Theodore Parker: A discourse of matter pertaining to religion* Theodore Parker, 1876 Sunday Discourses Before the Reform Congregation Keneseth Israel Joseph Krauskopf, 1919 *Fallacies and Free Speech* Juhani Rudanko, 2021 This book offers a new perspective on selected discourses and texts bearing on the evolution of a distinctively American tradition of free speech The author s approach privileges fallacy theory especially the fallacy of ad socordiam in a key Congressional debate in 1789 and other forms of verbal manipulation in newspaper editorials during the War of 1812 He argues that in order to understand James Madison s role in the evolution of a broad conception of freedom of speech it is imperative to examine the nature of the verbal attacks targeted at him These attacks are documented analyzed with the concept of aggravated impoliteness and used to demonstrate that it was Madison s toleration of criticism even in wartime that provided a foundation for a broad conception of freedom of speech This book will be of interest to both scholars and lay readers with an interest in the application of discourse analysis and historical pragmatics to political debates argumentation theory and fallacy theory and the evolution of the concept of freedom of speech in the early years of the United States Juhani Rudanko is Professor Emeritus at Tampere University Finland He was Associate Professor of English at that university from 1979 to 2001 and then Professor from 2001 to 2016 His publications include books and articles on the system of English predicate complementation including its evolution and on early American political history *Centenary Edition [of the Writings of Theodore Parker]: A discourse of matters pertaining to religion. v.2.
