This world renowned best selling text was written to accommodate the needs across a variety of majors and departments including mathematics, computer science, and engineering. As the market leader, the book is highly flexible, comprehensive, and a proven pedagogical teaching tool for instructors. Digital is becoming increasingly important and gaining popularity, crowning Connect as the digital leader for this discipline. McGraw Hill Education's Connect is available as an optional add-on item. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it, how they need it, so that class time is more effective. Connect allows the professor to assign homework, quizzes, and tests easily and automatically grades and records the scores of the student's work. Problems are randomized to prevent sharing of answers and may also have a multi-step solution which helps move the students learning along if they experience difficulty.
