Other books, blogs, and articles will direct you to the link to find the job, and then you have to figure out if it is for you. The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck. I have done the heavy lifting for you. You will find at least one chapter that seems like it was written especially for you in your situation. This book is set up in chapters divided by how you would go about finding a job you love. The first part is about finding what work you might want to do.

Work from Home David D Taylor, 2018-07-13. What if you could find a job you could do from the comfort of your own home, from a coffee shop or from anywhere? We have all thought about this at some point, but we have never really had the opportunity to take the leap. But what if you could find that job today? Sounds impossible. This book will quickly prove you wrong. If you are serious about working remotely, whether part time or full time, this book will help you find these job opportunities. In fact, countless companies hire remote employees or contractors for short or long term assignments. You just need to know where to look. In this book, you will find literally hundreds of links that will help you land a decent paying job with an earning potential of around 20 per hour to up to 50 per hour or more. For this, no need to be a highly qualified IT professional. The vast majority of these jobs are accessible to most readers. In this book, I will introduce you to a few methods to earn extra money from home. I will also help you avoid scams and give you an insight of what it is like to work remotely. This book is definitely for you if you are tired of organizing your life around your job. Looking for an alternative to your 9 to 5 job. Looking to make some extra money to supplement your income. Complete Book of Hunting Clyde Ormond, 1972. Hunting has always been one of man's needs. This was true in past ages when man hunted for food. It was true when man no longer was forced to hunt for his food but began hunting for sport. And it is equally true today when urban man seeks the renewal of body and spirit that hunting affords.

Job Stacking J. Rolf Haltza, 2021-10-06. Have you been looking to get a raise? Consider job stacking instead. With the rise of remote work, getting a second job that pays half or more of your current salary is easier than trying to actually land a 50% or greater raise with your current employer.
