Growing up I often visited older family members with my mother I remember well the sharing of tales and stories of the old days about our family on Monteith Island This book is a compilation of those stories as I recall them though they may have even changed as they were passed down and intertwined with a little fiction a little nonfiction as well as many of my paranormal experiences Many names in this collection of paranormal and spiritual encounters have been changed to protect the privacy of my living relatives and friends Though geographical locations have not been changed Many of these accounts were revealed in detailed dreams I will leave it up to you to determine what is real and what is imaginary To all who read this book I say let your imagination run wild *Beyond the Grave* Joe Gill, Dick Piscopo, 1983
