*Make Any Divorce Better!* Ed Sherman, 2009-08-13 Divorce is a difficult passage but there are practical things any couple can do individually or together to make the transition as painless as possible Every divorcing couple needs the guidance in this book because without it the process will not go smoothly Author Ed Sherman an attorney with 35 years of experience and over 45 000 successful cases shows how most divorces fit one of five profiles He helps readers discover their profile then leads them through the process step by step of overcoming what can otherwise turn into major mental and monetary roadblocks Through its communication organizational and negotiation tools *Make Any Divorce Better* not only saves readers money but puts them not lawyers or the courts in charge of the process allowing them to get it done faster with a minimum of emotional and financial expense and move on with their lives *A Better Way of Dealing with Divorce* Diana Jordan

LLB, 2017-07-11 The traditional way of divorcing is both divisive and expensive and the conflict generated by it is damaging to children This book is for parents who want to avoid these aspects of a divorce it shows them how to have an amicable divorce and protect their children from the worst of the harm that separation can cause It offers guidance for parents wanting to explain what's happening to their children as well as how to communicate and co parent better with their ex partner An overview of how the whole divorce process works is set out in an easy to understand format and language A break up can be overwhelming so there is guidance on planning a divorce and where to start The book empowers people to take control of their own futures rather than being swept along by our adversarial legal system which often leads couples to bitter and costly court battles that they neither wanted nor needed For those wanting to save thousands of pounds in legal fees the parts of their divorce which are easy to do themselves are set out together with clarification on when they really do need a lawyer The book is also a guide to the emotional journey and it dispels some common myths about separation and divorce Although the emphasis is on amicable divorces the book does include a chapter on how to tackle less friendly scenarios such as narcissistic personality disorder coercive control parental alienation and breaching contact orders Suggestions are offered for the different approach required in such circumstances **The Divorce Organizer and Planner, 2nd Edition** Brette
