dreams are an essential tool by which humanity can connect communicate and hear the voice of God Throughout the entire Bible God as always been known to communicate to His people through dreams and visions Dreams are a very powerful connection with the spirit realm which every believer should be acquainted to Dreaming is also a mechanism to connect with God and receive messages from him regarding your life or your future Dreams are an important part of our lives in the sense that real life is lived in dreams and our waking hours are a replay of what one would have seen or experienced in the dream There is a necessity to be one who dream dreams if you want to reach into the height and greatness of God s plan for your life And this divine truth is evident in the life of Joseph the dreamer The truth is that dreams are the fertile ground for the Holy Spirit to work and move in our lives All the great men of God throughout the Bible who have done great things are dreamer of dreams Dreams are so powerful that they can change your life and your destiny In fact if you really allow them to minister to you your whole life and destiny can change In this publications Apostle Frequency Revelator unpacks mysteries of dream interpretation and unveils that the more powerful you are in a dream the more powerful you will be in the physical That is why if you want to defeat Satan and his demonic cohorts you must defeat them in the dream life If you can master the art of how to control or change things in your dream life then you can change your life in the natural realm If you want to gauge your spirit level and have a self introspection about your spiritual life in general simply look at how your dreams life and you will have all the answers you need This is because your dream life is a movie or pictorial representation of what you are in the natural realm Dreams are a channel or pipeline through which spiritual substances are transacted from the spirit realm into visible and tangible manifestation in the physical realm Dreams are a mechanism by which wealth is transferred or transacted to those God has positioned to receive a landslide of wealth in these end times The dreamland is a realm of great achievements a realm that catapults one to dimensions beyond the faculties of human comprehension Only if you could cultivate and nature your dream life you will be thrilled at how great doors breakthroughs and opportunities will stream in your direction catapulting your spirit to higher realms of the supernatural realm In this publications Apostle Frequency Revelator unpacks the reality that dozens of folks are entrapped in a morass of debilitating circumstances of poverty lack and limitation in progress because they have not learnt the art of how to receive things from the spirit realm through dreams Owing to lack of revelation there are dozens of believers who are praying Heaven down and going for elongated periods of fasting to the extent of even begging and cajoling God to answer their prayers concerning their debilitating life circumstances of poverty debt sickness and limitation in progress yet God has already answered them in dreams and they did not even know that they already received the answer This book is an activation tool that will usher you into the realm of operating in prophetic dreams and visions It will activate you into a place of hearing from God in a clearer way when it comes to dreams and visions It will catapult you to a prophetic realm dimension and level where your dreams become solid material that communicates spiritual realities and transforms things in your world Understanding Dreams, Visions, and
