Library Journal ,2009 Mediated Intimacy Meg-John Barker,Rosalind Gill,Laura Harvey,2018-04-27 Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future *Billboard* ,2003-07-19 In its 114th year Billboard remains the world s
