Fyodor Dostoevsky a Critical Study, Vol. 5 (Classic Reprint) J. Middleton Murry, 2019-01-20 Excerpt from Fyodor Dostoevsky a Critical Study Vol 5 I swear to you that though I have received much recognition possibly more than I deserve still the critics the literary critics who certainly have often no rather very seldom praised me nevertheless have always spoken of me so lightly and superficially that I am obliged to assume that all those things which my heart brought forth in pain and tribulation and which came directly from my soul have simply passed unperceived About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Crime and Punishment [Large Print Edition] Fyodor Dostoyevsky, 2014-09-07 This premium quality large print volume includes the complete and unabridged classic translation of Fyodor Dostoyevsky's Crime and Punishment a work which became an enduring and still popular classic exerting a world wide influence that continues today This freshly edited and newly typeset edition features heavyweight 60 bright white paper and a large 7 44x9 69 page size with a fully laminated cover featuring an original full color design Also included in this volume is extensive introductory commentary including biographical and critical essays discussing Dostoyevsky's life work and literary significance to provide useful background information for the modern reader Crime and Punishment A psychological novel written before the phrase psychological novel existed Crime and Punishment is widely regarded as Dostoyevsky's masterpiece establishing his reputation as a powerful and influential novelist Against the backdrop of the oppressive heat and smell of summer in St Petersburg and in the shadow of religious faith Dostoyevsky explores complex themes of alienation criminal psychology guilt nihilism expiation atonement and what might today be considered narcissistic personality disorder and in an earlier time might have been called megalomania Convinced that superior people like himself are above the law Raskolnikov believes that he could make much better use of an old woman's wealth and decides he is entitled to rob her When the robbery goes horribly wrong Raskolnikov begins to doubt his superiority and his growing guilt and a cat and mouse game that ensues with Porfiry Petrovich the shrewd police investigator drives him further into isolation and despair Focusing on the psychological punishment Raskolnikov suffers as a result of his crime Dostoyevsky suggests that true rehabilitation can come only through atonement and redemption regardless of any punishment meted out by the authorities Like Dickens in England Dostoyevsky was embraced by the masses about whom he wrote and to whom he spoke despite criticism by contemporary experts who found his subject matter unsuitable for literature and his work lacking in style and technical merit And like Dickens

Dostoyevsky has become an inextricable part of the culture of his country and the essential literature of the world

Dostoevsky's The Brothers Karamazov Julian W Connolly, 2013-02-14 Fyodor Dostoevsky's *The Brothers Karamazov* is unquestionably one of the greatest works of world literature With its dramatic portrayal of a Russian family in crisis and its intense investigation into the essential questions of human existence the novel has had a major impact on writers and thinkers across a broad range of disciplines from psychology to religious and political philosophy This proposed reader's guide has two major goals to help the reader understand the place of Dostoevsky's novel in Russian and world literature and to illuminate the writer's compelling and complex artistic vision The plot of the novel centers on the murder of the patriarch of the Karamazov family and the subsequent attempt to discover which of the brothers bears responsibility for the murder but Dostoevsky's ultimate interests are far more thought provoking Haunted by the question of God's existence Dostoevsky uses the character of Ivan Karamazov to ask what kind of God would create a world in which innocent children have to suffer and he hoped that his entire novel would provide the answer The design of Dostoevsky's work in which one character poses questions that other characters must try to answer provides a stimulating basis for reader engagement Having taught university courses on Dostoevsky's work for over twenty years Julian W Connolly draws upon modern and traditional approaches to the novel to produce a reader's guide that stimulate the reader's interest and provides a springboard for further reflection and study

Bowker LLC,1983 **Existentialism, Film Noir, and Hard-boiled Fiction** Stephen E. Faison,2008 The prevailing view is that existentialism is a product of post World War II Europe and had no significant presence in the United States before the 1940s Jean Paul Sartre and associates are credited with establishing the philosophy in France and later introducing it to Americans But conventional wisdom about existentialism in the United States is mistaken The United States actually developed its own unique brand of existentialism several years before Sartre and company published their first existentialist works Film noir and the hard boiled fiction that served as its initial source material represent one form of American existentialism that was produced independently of European philosophy Hard boiled fiction introduced the tough and savvy private detective the duplicitous femme fatale the innocent victim of circumstance and the confessing but remorseless murderer Creators of this uniquely American crime genre engaged existential themes of isolation anxiety futility and death in the thrilling context of the urban crime thriller The film noir cycle of Hollywood cinema brought these features to the screen and offered a distinctively dark visual style compatible with the unorthodox narrative techniques of hard boiled fiction writers Film noir has gained critical acceptance for its artistic merit and the term has a ubiquitous presence in American culture Americans have much to gain by recognizing their own contributors to the history of existentialism Existentialism Film Noir and Hard Boiled Fiction describes and celebrates a unique form of existentialism produced mostly by and for working class people Faison s analysis of the existentialist value of early twentieth century crime stories and films illustrates that philosophical ideas are available from a rich diversity of sources Faison examines the plight of philosophy which occupies a small corner of the academy and is largely ignored beyond its walls According to the author philosophers do themselves and the public a disservice when they restrict what is called existentialism or philosophy to that which the academy traditionally approves The tendency to limit the range of sanctioned material led the professional community to miss the philosophical importance of the critically acclaimed phenomenon known as film noir and significantly contributes to the contemporary status of philosophy Existentialism Film Noir and Hard Boiled Fiction properly identifies existentialism not as the original creation of post World War II Europeans but as a shorthand term used to describe a compelling vision of the world The themes associated with existentialism are found in the ancient Greek tragedies and dramatic narrative has been the preferred conveyance of the existentialist message American and European philosophers present during the early decades of the twentieth century agreed that the United States was not fertile soil for the existentialist message but the popularity of hard boiled fiction and film noir contradicts such claims Faison examines and emphasizes the working class origins and orientation of hard boiled fiction to reveal the division between elites and working class Americans that led to the ill informed conclusion Faison effectively challenges the frequent assertion that the intellectual and creative sources of film

noir are to be found in European thinkers and movements and establishes film noir like hard boiled fiction as a uniquely American phenomenon Existentialism Film Noir and Hard Boiled Fiction is scholarly and accessible and will appeal to academics interested in existentialism philosophy and interdisciplinary studies film enthusiasts interested in the narrative and visual techniques employed in film noir and fans of hard boiled mystery fiction and the work of screen legends of the Hollywood studio era *Subject Guide to Books in Print* ,2001 **Newsweek** ,1961-04 *Books in Print Supplement* ,1994 *Dostoevsky and Solzhenitsyn, Two Inmates of the House of the Dead* Joseph Patrick Moeller,1985 Crime and Punishment the Complete and Unabridged Original Classic Edition in Large Print Fyodor Dostoyevsky,2016-07-23 This premium quality large print volume includes the complete and unabridged classic translation of Fyodor Dostoyevsky s Crime and Punishment an enduring and still popular work which exerted a world wide influence that continues today This freshly edited and newly typeset edition features a large 7 44x9 69 page size and is printed on heavyweight 60 bright white paper with a fully laminated cover featuring an original full color design Also included in this volume is extensive introductory commentary including biographical and critical essays discussing Dostoyevsky s life work and continuing literary significance to provide useful background information for the modern reader Crime and Punishment A psychological novel written before the phrase psychological novel existed Crime and Punishment is widely regarded as Dostoyevsky s masterpiece establishing his reputation as a powerful and influential novelist Against the backdrop of the oppressive heat and smell of summer in St Petersburg and in the shadow of religious faith Dostoyevsky explores complex themes of alienation criminal psychology guilt nihilism expiation atonement and what might today be considered narcissistic personality disorder and in an earlier time might have been called megalomania Convinced that superior people like himself are above the law Raskolnikov believes that he could make much better use of an old woman s wealth and decides he is entitled to rob her When the robbery goes horribly wrong Raskolnikov begins to doubt his superiority and his growing guilt and a cat and mouse game that ensues with Porfiry Petrovich the shrewd police investigator drives him further into isolation and despair Focusing on the psychological punishment Raskolnikov suffers as a result of his crime Dostoyevsky suggests that true rehabilitation can come only through atonement and redemption regardless of any punishment meted out by the authorities Like Dickens in England Dostoyevsky was embraced by the masses about whom he wrote and to whom he spoke despite criticism by contemporary experts who found his subject matter unsuitable for literature and his work lacking in style and technical merit And like Dickens Dostoyevsky has become an inextricable part of the culture of his country and the essential literature of the world
