Gabrielle Roth:

Maps to Ecstasy Gabrielle Roth, John Loudon, 1998 In this revised edition Roth expands on the themes that have guided her way of transforming daily life into sacred art 20 000 first print **Dark Light of the Soul** ,2022-01-14 The late Gabrielle Roth 1941 2012 was the creative force behind the worldwide community of thousands of people who loved and practiced The 5 Rhythms R a path of spiritual healing rooted in the body and movement Inside these pages is a collection of personal unforgettable and often life changing moments they experienced engaging with Gabrielle She was known far and wide for being outrageous profound hilarious mysterious and impenetrable as well as utterly transparent and vulnerable One of Gabrielle s unique gifts was her ability to be totally attentive present and loving with every person she encountered whether for a fleeting moment in a taxi or for decades on the dance floor Invariably each individual would leave their meeting with her feeling deeply seen and connected as if to a very special life long friend *Sweat Your Prayers* Gabrielle Roth, 1997 Complete with personal stories and interactive exercises *Sweat Your Prayers* reveals an ancient and contemporary method for unleashing a natural sense of movement resulting in both personal power and presence of the soul **Connections** Gabrielle Roth, 2004 COINCIDENCE MIRACLES DIVINE INTERVENTION WHAT MANY PEOPLE CONSIDER ONCE IN A LIFETIME OCCURRENCES EXPLAINS GABRIELLE ROTH ARE ACTUALLY INTUITION Once you awaken your intuition and get in the habit of listening to and acting on it every decision in your life will become reflective of your inner truth You ll know what to do You always have and you always will *Transrational Peace Research and Elicitive Facilitation* Norbert Koppensteiner, 2020-06-22 This book sheds new light on transrational approaches to peace research and highlights elicitive approaches to facilitation Rather than encouraging researchers teachers and practitioners to control and suppress their own positionality the book argues that they can see themselves as a potential resource that can be creatively tapped for their work Using dance as a central metaphor it seeks to reposition research and facilitation as a truly experiential process where the entirety of human experiences and epistemologies can be brought into interplay opening up new sources of knowledge Providing a cutting edge theoretical framework and based on his practical experience the author demonstrates that facilitation and research are not just cognitive but can also become embodied emotional intuitive relational and spiritual By proposing a systematic methodological framework for research and facilitation the book offers practical guidance for peace practitioners facilitators and researchers interested in working through all dimensions of their being and engaging with conflict transformation in a holistic way *The Multimedia Encyclopedia of Women in Today's World* Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2013-01-09 This e only volume expands and updates the original 4 volume Encyclopedia of Women in Today s World 2011 offering a wide range of new entries and new multimedia content The entries reflect such developments as the Arab Spring that brought women s issues in the Islamic world into sharp relief the domination of female athletes among medal winners at the London 2012 Olympics nine more women joining the ranks of democratically elected

heads of state and much more The 475 articles in this e only update accompanied by photos and video clips supplement the themes established in the original edition providing a vibrant collection of entries dealing with contemporary women s issues around the world *Yoga Journal* ,1990-01 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *Performed Ethnography and Communication* D Soyini Madison,2018-04-27 *Performed Ethnography and Communication* explores the relationships between these three key terms addressing the impact of ethnography and communication on the cutting edge of performance studies Ranging from digital performance improvisation and the body to fieldwork and staged collaboration this volume is divided into two main sections Embodied technique and practice which addresses improvisation devised theatre making and body work to consider what makes bodies move sound behave mean or appear differently and the effects of these differences on performance Oral history and personal narrative performance which is concerned with the ways personal stories and histories might be transformed into public events looking at questions of perspective ownership and reception Including specific historical and theoretical case studies exercises and activities and practical applications for improvisation ethnography and devised and digital performance *Performed Ethnography and Communication* represents an invaluable resource for today s student of performance studies communication studies or cultural studies **Highway Heist** James T. Bennett,2022-10-03 In this eye opening book Professor James Bennett guides readers through centuries of one of the most underrated yet widely used aspects of American life roads Relying on history and economic data and with a humorous and oftentimes sharp tongue Bennett explains how important America s highways and byways have been to everything from policymaking to everyday life Crafting America s roads took persuasion planning and more taxes than any politician could have dreamed of And far too often their realization thanks in Bennett s view to flawed interpretations of the power of eminent domain required destruction sometimes on a massive scale of long established neighborhoods and important cityscapes Likewise the upkeep of America s highways has been the center of many a policy battle waged by Republicans and Democrats alike Yes we all want roads in good working condition but just how and who will pay for them remain contentious questions Bennett argues persuasively that the road forward just might be a second but more serious sustained look at and local experimentation with private roads and toll roads Agree or disagree with him Bennett has written a significant contribution to America s ongoing debate about how her citizens should traverse from sea to shining sea its fruited plain
