Pfanz, 2011-12-01 Available for the first time as an Omnibus Ebook edition this three volume set is the acclaimed full account of the three days at Gettysburg by the noted historian Harry Pfanz First Day For good reason the second and third days of the Battle of Gettysburg have received the lion s share of attention from historians With this book however the critical first day s fighting finally receives its due After sketching the background of the Gettysburg campaign and recounting the events immediately preceding the battle Harry Pfanz offers a detailed tactical description of events of the first day He describes the engagements in McPherson Woods at the Railroad Cuts on Oak Ridge on Seminary Ridge and at Blocher s Knoll as well as the retreat of Union forces through Gettysburg and the Federal rally on Cemetery Hill Throughout he draws on deep research in published and archival sources to challenge many long held assumptions about the battle

"Strong Men of the Regiment Sobbed Like Children" John Michael Priest, 2025-11-04 Historian and author John Michael Priest brings to vivid reality the chaos combat heroism and hurting that engulfed the Army of the Potomac's I Corps west of Gettysburg on that bloody Wednesday It is an excellent addition to Gettysburg historiography It is definitely a resource upon which current and future historians and authors will use widely

Emerging Civil War The fighting on the first day at Gettysburg on July 1 1863 was unexpected heavy confusing and in many ways decisive Much of it consisted of short and often separate simultaneous engagements or firefights a term soldiers often use to describe close vicious and bloody combat Several books have studied this important inaugural day of Gettysburg but none have done so from the perspective of the rank and file of both armies John Michael Priest's *Strong Men of the Regiment Sobbed Like Children* John Reynolds' I Corps at Gettysburg on July 1 1863 rectifies this oversight in splendid style When dawn broke on July 1 no one on either side could have conceived what was about to take place Anticipating a fight and with a keen appreciation for terrain Brig Gen John Buford deployed his Union cavalry in a giant arc north and west of Gettysburg to slow down any Confederate advance until Maj Gen John Reynolds could bring up his infantry By the time the foot soldiers of the I Corps arrived A P Hill's heavy Confederate formations had pushed back the troopers from the west Richard Ewell's troops would soon arrive from the north threatening the town and its key road network Reynolds who would die early in the fighting poured his troops in as they arrived The road system and undulating ground broke up command control and the various ridges tall ground cover and powder smoke made target recognition difficult Brigades and regiments often engaged on their own initiatives without the direction of a division or corps commander The men of both armies fought with determination born of desperation valor and fear By the time the fighting ended the I Corps was in shambles and in pell mell retreat for Cemetery Hill Its bold stand together with the XI Corps north of town bought precious hours for the rest of the Army of the Potomac to arrive and occupy good defensive ground Priest who Edwin Bearss hailed as the Ernie Pyle of the Civil War spent a decade researching this study and walking the ground to immerse readers into the uncertain world of the rank and file experience He consulted more than 300 primary sources including letters diaries memoirs newspaper accounts recollections casualty lists and drill manuals to present the battle from the ground up Nineteen detailed regimental level maps illustrate the ebb and flow of the battle The result is a fast paced narrative sure to please the most demanding students

of the Civil War The footnotes alone are worth the price of admission Readers will close the book with a full understanding of why a veteran New Yorker spoke for the survivors of both armies when he wrote Strong men of the regiment sobbed like children Gettysburg--Culp's Hill and Cemetery Hill Harry W. Pfanz,2001-05-31 In this companion to his celebrated earlier book *Gettysburg The Second Day* Harry Pfanz provides the first definitive account of the fighting between the Army of the Potomac and Robert E Lee s Army of Northern Virginia at Cemetery Hill and Culp **Civil War Books** Tom Broadfoot,1996

When the war began in 1861 there were in most states in the North primarily from Western Europe large populations of immigrants whose leaders were active in American politics at the local state and national levels Just as native born Americans both individually and collectively reacted to war so did these newcomers A characteristic feature of the formation of the Union armies was the role played by politicians in the recruitment of the regiment the basic unit of the army Ethnic politicians and a few were women like their native born counterparts actively recruited young men into regiments in this case regiments based upon the country of origin of the recruits There were dozens of such regiments mostly German and Irish but also a Scandinavian unit a polyglot outfit and there was an attempt to form a Scottish regiment As the war progressed and casualties mounted these regiments gradually lost their ethnic composition Ethnic entrepreneurs were the key figures in the organization of these regiments and such men ordinarily intended to parlay their military service into a post war political career This text examines the ethnic units as well as the impact ethnic entrepreneurs had during the war both by their key role in the organization of their regiments and by their post war political careers *Regimental Publications & Personal Narratives of the Civil War* Charles Emil Dornbusch,1961 *The Pictorial Field Book of the Civil War in the United States of America* Benson John Lossing,1874 *Hero Tales of the American Soldier and Sailor as Told by the Heroes Themselves and*
