by the verdure of two great ivy vines which have twisted round them like gigantic snakes and clambering up and throttling the life out of them have put out branches and made crowns of thick green leaves so that at a little distance it is quite impossible not to take them for genuine trees Passages from the English Notebooks - Scholar's Choice Edition Nathaniel Hawthorne,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Passages from the English Notebooks Part 1 Nathaniel Hawthorne,2025-02-11 The Ancestral Footstep is an unfinished romance novel written by Nathaniel Hawthorne in the late 19th century The story follows Middleton an American descendant of an old English family as he embarks on a journey to England to uncover long buried family secrets Central to the mystery is a bloodstained footprint left in his ancestral home a clue that compels Middleton to investigate his lineage and the hidden truths of his heritage As he travels through the English countryside Middleton finds himself deeply contemplating his identity and connection to the past Along the way he encounters various individuals who play key roles in his journey including a mysterious old man and a captivating young woman Alice Their presence suggests a deeper link to the history he is trying to unravel making his quest more than just a search for information it becomes a path toward self discovery At the beginning of the novel Middleton is filled with both hope and uncertainty about his search for his ancestral estate He observes the landscapes and people of England gradually realizing that his past is not merely a forgotten history but something that continues to shape his present As he digs deeper he finds himself entangled in family conflicts and betrayals revealing the weight of a divided legacy that he must confront This novel is not just a tale of investigation it explores the significance of ancestry and the way the past influences the present As Middleton follows the traces of history he finds himself at the intersection of historical inheritance and personal identity all within a setting that blends mystery with poetic reflection *Passages from the English Notebooks, Complete* Nathaniel Hawthorne,2012-09-17 Nathaniel Hawthorne born Nathaniel Hathorne July 4 1804 May 19 1864 was an American novelist and short story writer Nathaniel Hawthorne was born in 1804 in the city of Salem Massachusetts to Nathaniel Hathorne and the former Elizabeth Clarke Manning His ancestors include John Hathorne the only judge involved in the Salem witch trials who never repented of his actions
