English Words From Latin And Greek Elements:

English Words from Latin and Greek Elements Donald M. Ayers, R. L. Cherry, 1986-04 Presents an overview of the development of the English language and examines the formation of words especially from Greek and Latin roots Also discusses definitions and usage

English Words from Latin and Greek Elements Donald M. Ayers, 1965 **Workbook to Accompany the Second Edition of Donald M. Ayers's English Words from Latin and Greek Elements** Helena Dettmer, Marcia Lindgren, 2005-10-01 For more than forty years English Words from Latin and Greek Elements by Donald M Ayers has shown thousands of students the way to a broader vocabulary by teaching them to recognize the classical roots found in many English words When the second edition of that text appeared in 1986 it was joined by a workbook that has proven exceptionally popular in reinforcing those vocabulary skills Each lesson in the Workbook complements the text with a variety of exercises short answer matching multiple choice word analysis fill in the blank and true false The Workbook has now been revised to make it more relevant and useful It features a new dictionary exercise and word analysis exercises the replacement of true false exercises that have caused the most difficulty for students and the elimination of archaic words and other items that have become dated The authors have also improved the clarity of the instructions for individual exercises in some cases adding notes or providing sample answers As part of the revised front matter there is a new introduction written just for students to help them get the most out of the workbook English Words and the Workbook have met with unqualified success in English and Classics courses at both the advanced secondary and college levels This revision of the Workbook helps to ensure the continuing relevance of the roots approach to vocabulary building for tomorrow s students **Eureka!** Mary Byrne, 1987

English Words from Latin and Greek Elements Donald M. Ayers, 2021-11-09 Since 1965 Donald Ayers English Words from Latin and Greek Elements has helped thousands of students to a broader vocabulary by showing them how to recognize classical roots in modern English words Its second edition published in 1986 has confirmed that vocabulary is best taught by root not rote The importance of learning classical word roots is already acknowledged by vocabulary texts that devote chapters to them Why a whole book based on this approach Ayers text exposes students to a wider range of roots introduces new English words in context sentences and reinforces vocabulary through exercises It promotes more practice with roots so that students learn to use them as tools in their everyday encounters with new words English Words is written from the standpoint of English it neither attempts to teach students Latin or Greek nor expects a knowledge of classical languages on the part of instructors Its success has been demonstrated at both the secondary and college levels and it can be used effectively with students in remedial or accelerated programs An Instructor s Manual gratis with adoption and a Workbook are also available
