

RECORD OF ENLISTED PERFORMANCE QUALIFICATIONS ELECTRONICS TECHNICIAN (ET)

INSTRUCTIONS

Record of Enlisted Performance Qualifications (EPQ) shall be completed in accordance with the Personnel Manual, COMDTINST M1000.6 (series). Personnel are required to demonstrate proficiency in all performance qualifications for the next higher pay grade to be eligible for advancement. The DATE and INITIALS column shall be completed by a designated supervisor (E-5 or above) at least one pay grade higher than the trainee and preferably of the same occupational specialty. Form CG-3303C becomes official documentation to be kept in the member's Personnel Data Record (PDR) denoting eligibility for administration of the rating End of Course Test (EOCT) and, if applicable, participation in a Service Wide Exam competition (SWE). Although demonstration and sign-off of any new EPQ at or below the member's current pay grade is not required, the EPQ will be used to develop SWE questions. It is the member's responsibility to be proficient in all currently published performance qualifications, up to and including those of their present pay grade for their specific rating to facilitate learning of junior personnel.

Performance Qualifications numbering system: Example 5A.01

- The number **5** indicates an E-5 level qualification requirement.
- The letter **A** indicates the subject section within the qualification requirements.
- The sequence number **01** indicates the 1st qualification within the subject section.

Rating courses are developed using reference material denoting official policy and/or technical standards. Most reference materials are available online through the Coast Guard Directives System at <http://www.uscg.mil/directives/>. Other reference material may be obtained from the unit's library, TRACEN course writers, CG Institute, or other government sources. A reference material list is located at the end of this document. If any reference material is found to be in contradiction the cited Coast Guard reference shall take precedence.

The Rating Force Master Chief of this occupational specialty is the primary proprietor of these EPQ. The most up to date EPQ revisions are available digitally on the CG Learning Portal at <http://learning.uscg.mil/>. EPQ paper copies are also available from the unit's Education Services Officer (ESO) or Career Development Advisor (CDA).

NOTE: Performance of ET tasks should be completed in an actual work setting whenever possible but may also be performed under simulated conditions.
