Entering The Dream Dimension Gods Portal To Reveal:

A SPECK OF ATLANTIS - BIMINI: THE TOP OF GOD'S MOUNTAIN Norbert H. Kox, 2009-09-12 This art book is a visual and written documentation of a modern day visionary and his journey into the heart of Bimini It links the Island of Bimini to the lost continent of Atlantis and contains 149 color images painted on Bimini by internationally acclaimed visionary artist Norbert H Kox His writings suggest the probable connection between the last remaining speck of Atlantis and this tiny island in the Atlantic located directly within the Bermuda Triangle The writings postulate interdimensional portals and possible time travel in agreement with quantum physics explaining subtle energies that interact with and affect our physical world The research is well documented and the paintings are stunning The artworks in this book represent eleven years of painting and research on the Island of Bimini and although they do not all correlate with Atlantis and the energy of the Universe they are a documentation of Kox s art exhibitions on the Island Soft cover 8 1 2 X 11 118 pages **So what about Eve**

modern theories of nationalism and utopia as well as read jointly with contemporary projections of England as place reactions to Wells demonstrate a shift from disavowal to retrieval of England on the one hand and from endorsement to rejection of the World State on the other Attempts to salvage the residual traces of English culture from their degradation in the World State have taken increasing precedence over the imagination of a post national order This trend continues in the work of George Orwell Anthony Burgess J G Ballard and Julian Barnes whose future scenarios warn against a world without England The Nationality of Utopia investigates utopia s capacity to deconstruct and redeploy national discourse in ways that surpass fear and nostalgia

THE MIND, BODY, SPIRIT, And STORYTELLING Hakeem R. Jelani, 2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author s discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicar s of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the

Gospels of death salvation and the resurrection after the end of Jesus Christ's crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki's process concerning an African female's mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It's a fictionalized story written to make people think about this with intellectual intuition logic and reason
