Finding My Banana Bread Man John R. Davis, 2008-04 When a person you love is terminally ill you wish and wish for their pain to go away You even pray for it Then the cold reality of death stares you in the face and you start praying for something new one more day with them one more hour one more minute and you would give anything to have it When John R Davis lost his life partner fondly called his Banana Bread Man to brain cancer he also lost himself He wondered how his world could ever be anything other than gray Jack had been the one to bring color into his life How could Davis expect to experience joy again without his mate of twenty seven years How would he survive the loss of Jack s magnanimous presence Did he even want to survive Finding My Banana Bread Man is a love story that guides people mourning the loss of a loved one takes them through shock despair and loneliness inspires all those who support them in their life changing journeys Embracing his partner s memory through tiny deeds of good action poetry letters and scholarships helped Davis transcend grief More than that he was finally able to reconnect with the person he used to be before Jack died Today he dedicates his life to helping those who are suffering after the premature deaths of their spouses mates or partners <http://www.findingmybananabreadman.com> **Journey'S End** Victoria Brewster, Julie Saeger Nierenberg, 2017-07-20 In Journey s End many and varied
